Everything you need to know in a condensed and structured independent study guide specifically designed to prepare you in successfully passing the National Licensing Exam in Marital and Family Therapy. This innovative approach to effective and efficient preparation is tailored to the new format of the National Exam which is now far more application-based than knowledge-based. As other manuals contain up to 1,200 pages of text covering the entire field of Family Therapy in great detail, this author has condensed the same information down to the bare essentials of what is needed to pass the exam. This is not meant to serve as a thorough review of everything you already learned in graduate school.

instead it will review such knowledge in ways congruent to what the exam will measure The philosophy of this manual was to teach you how to pass the exam as opposed to reviewing the textbook The context contains a review of each primary theory to Marriage Family Therapy as organized by the knowledge domains stated by the Association for Marital Family Therapy Regulatory Board To further grasp how these theories are applied to families keeping in line with the application based nature of the licensing exam the author has provided a glossary containing narratives of each approach applied to the same family vignette To further differentiate this manual from the other available options Part I contains an overview of the exam test taking strategies and study techniques to ensure that your preparations are effective and efficient It will also move beyond theory and into the other knowledge domains covered on the exam as well as provide a thorough glossary of all key terms and primary interventions labeled by the theory in which they belong Finally the manual includes a Practice Exam with correct answers stated along with a rationale as to why each answer was correct or incorrect Contents include Part I About the Exam Test Taking Strategies Study Techniques Part II The History of the Field of Marriage Family Therapy Part III The Theory Practice of Marriage Family Therapy Part IV Clinical Considerations Concepts Part V The Practice Exam Walk into test day feeling confident and prepared after completing this Independent Study Guide An affordable and effective resource made by a Marriage Family Therapist for Marriage Family Therapists CompTIA A+ Certification Study Guide, Seventh Edition (Exam 220-701 & 220-702) Jane Holcombe, Charles Holcombe, 2010-05-22 The Best Fully Integrated Study System Available EXAMS 220 701 Operating System Fundamentals Installing Configuring and Upgrading Operating Systems Disk and File Management Troubleshooting and Preventive Maintenance for Windows Using and Supporting Printers Network Basics Installing a Small Office Home Office SOHO Network Troubleshooting Networks Computer Security Fundamentals Implementing and Troubleshooting Security Operational Procedure CD ROM includes Complete Master Exam practice testing engine featuring Two full practice exams Detailed answers with explanations and Score Report performance assessment tool CertCam video training Electronic book for studying on the go With free online registration Two Bonus downloadable MasterExam practice tests Jane Holcombe CompTIA A CompTIA Network MCSE CompTIA CTT has been an independent trainer consultant and course content author since 1984 Charles Holcombe has been an independent trainer and consultant for 30 years and has developed and delivered many training courses He is the coauthor with Jane Holcombe of Survey of Operating Systems Second Edition and several other books CompTIA A+ Certification Study Guide 8/E Exams 220-801&802 Jane Holcombe, Charles Holcombe, 2012-11-23 The best fully integrated study system available for CompTIA A exams 220 801 Detailed answers with explanations Score Report performance assessment tool CertCam video clips from the authors Glossary with key terms MasterSim interactive labs One segment of LearnKey video training With free online registration Bonus two downloadable MasterExam practice tests
