Documentation and Reimbursement for Speech-Language Pathologists Nancy Swigert, 2024-06-01 Although it is the least noticed by patients effective documentation is one of the most critical skills that speech language pathologists must learn With that in mind Documentation and Reimbursement for Speech Language Pathologists Principles and Practice provides a comprehensive guide to documentation coding and reimbursement across all work settings The text begins with section 1 covering the importance of documentation and the basic rules both ethical and legal followed by an exploration of the various documentation forms and formats Also included are tips on how to use electronic health records as well as different coding systems for diagnosis and for procedures with an emphasis on the link between coding reimbursement and the documentation to support reimbursement Section 2 explains the importance of focusing on function in patient centered care with the ICF as the conceptual model then goes on to cover each of the types of services speech language pathologists provide evaluation treatment planning therapy and discharge planning Multiple examples of forms and formats are given for each In section 3 Nancy Swigert and her expert team of contributors dedicate each chapter to a work setting in which speech language pathologists might work whether adult or pediatric because each setting has its own set of documentation and reimbursement challenges And since client documentation is not the only kind of writing done by speech language pathologists a separate chapter on other professional writing includes information on how to write correspondence avoid common mistakes and even prepare effective PowerPoint presentations Each chapter in Documentation and Reimbursement for Speech Language Pathologists Principles and Practice contains activities to apply information learned in that chapter as well as review questions for students to test their knowledge Customizable samples of many types of forms and reports are also available Included with the text are online supplemental materials for faculty use in the classroom Documentation and Reimbursement for Speech Language Pathologists Principles and Practice is the perfect text for speech language pathology students to learn these vital skills but it will also provide clinical supervisors new clinicians and speech language pathologists starting a private practice or managing a department with essential information about documentation coding and reimbursement

Writing Patient/Client Notes Ginge Kettenbach, Sarah Lynn Schlomer, Jill Fitzgerald, 2016-05-11 Develop all of the skills you need to write clear concise and defensible patient client care notes using a variety of tools including SOAP notes This is the ideal resource for any health care professional needing to learn or improve their skills with simple straight forward explanations of the hows and whys of documentation It also keeps pace with the changes in Physical Therapy practice today emphasizing the Patient Client Management and WHO s ICF model *Federal Register*, 2012-07

Documentation for Rehabilitation Lori Quinn, James Gordon, 2015-12-11 Better patient management starts with better documentation Documentation for Rehabilitation A Guide to Clinical Decision Making in Physical Therapy 3rd Edition shows how to accurately document treatment progress and patient outcomes Designed for use by rehabilitation professionals

documentation guidelines are easily adaptable to different practice settings and patient populations Realistic examples and practice exercises reinforce concepts and encourage you to apply what you've learned Written by expert physical therapy educators Lori Quinn and James Gordon this book will improve your skills in both documentation and clinical reasoning A practical framework shows how to organize and structure PT records making it easier to document functional outcomes in many practice settings and is based on the International Classification for Functioning Disability and Health ICF model the one adopted by the APTA Coverage of practice settings includes documentation examples in acute care rehabilitation outpatient home care and nursing homes as well as a separate chapter on documentation in pediatric settings Guidelines to systematic documentation describe how to identify record measure and evaluate treatment and therapies especially important when insurance companies require evidence of functional progress in order to provide reimbursement Workbook textbook format uses examples and exercises in each chapter to reinforce your understanding of concepts NEW Standardized Outcome Measures chapter leads to better care and patient management by helping you select the right outcome measures for use in evaluations re evaluations and discharge summaries UPDATED content is based on data from current research federal policies and APTA guidelines including incorporation of new terminology from the Guide to Physical Therapist 3 0 and ICD 10 coding EXPANDED number of case examples covers an even broader range of clinical practice areas

Mindful Crafts as Therapy Cynthia Evetts, Suzanne Peloquin, 2017-04-28 Arts and crafts were one of the very first therapies employed by occupational therapists Today crafts are still employed as effective interventions for clients with mental health disorders physical dysfunctions cognitive issues and sensory concerns in hospitals outpatient clinics veterans centers schools skilled nursing facilities or community settings Step by step the authors show you how to use a wide range of novel and highly engaging crafts They explain how to connect the key tasks associated with an activity to functional outcomes and how to modify them to meet the specific needs of individual patients They also address the issues of documentation and reimbursement
