EDUCATION 6.0 KHRITISH SWARGIARY, 2026-01-01

As the author of Education 6.0 Envisioning the Symbiotic Future of Learning and Innovation I am profoundly humbled and inspired to present this work at a pivotal moment in human history. We stand on the threshold of an era defined by unprecedented technological convergence where artificial intelligence, quantum computing, bio-digital interfaces, and regenerative systems are reshaping not only industries but the very essence of how we learn, create, and coexist with intelligent machines. Education 6.0, as envisioned in these pages, represents a bold, forward-looking paradigm that extends beyond the human-centric resilience of Education 5.0 and Industry 5.0. It embraces a symbiotic future in which humans and advanced technologies co-evolve ethically, sustainably, and equitably to address grand challenges like climate crises, skill obsolescence, and global inequities. This book emerges from my deep passion for educational transformation informed by years of research into emerging technologies, pedagogy, and policy. Drawing on historical trajectories from ancient Gurukuls and hierarchical rote systems to the digital integrations of Education 3.0 and 4.0, I propose Education 6.0 as a holistic framework aligned with the nascent visions of Industry 6.0. Central to this is the original LIKEMS framework (Leadership, Innovation, Knowledge, Skills, Industry, Manufacturing, Maker-Centered Practices, Entrepreneurship, and Sustainability) designed to cultivate sovereign learners who lead ethical innovation, harness symbiotic intelligence, and steward planetary resources. Written amid rapid advancements as of late 2025, this volume synthesizes empirical evidence, real-world implementations, and speculative yet rational projections to guide educators, policymakers, researchers, and innovators. My hope is that it sparks collaborative action toward learning ecosystems where technology amplifies human potential without diminishing agency, empathy, or well-being. Education 6.0 is not merely an adaptation to change; it is a call to co-create a harmonious, innovative world for generations to come. KHRITISH SWARGIARY AKA KS Luminar Assam India Jan 2026
