

# Movies and Meaning

- Movies can mean a great number of things, and there is plenty of room for argument about those meanings.

emotional responses?

- In IB Film we always want to go beyond “*I loved, liked or hated it*” to find convincing reasons within the movie to support our opinions.
- In this next unit, we are going to examine and apply the many different theoretical and critical models that allow us to enrich our film viewing experience and improve our ability to offer an intelligent and provocative analysis of the films we see.
