*Moving in the Prophetic* Gregory Haslam, 2012-11-20 The gift of prophecy has always invited some degree of opposition and controversy It is one of the most vivid displays of God's presence and power among his people Many people struggle with the very concept of the validity of prophecy today They are troubled by the possibility that God may have direct access to our minds Greg Haslam argues that such concerns are misplaced Following St Paul's injunction that we should be eager to prophesy he considers how God speaks and how we should hear him how we can test and deliver a prophetic word and how we can grow in confidence as we learn to discern what the Spirit is saying to the church *Moving in the Prophetic* Greg Haslam, 2009 The gift of prophecy has always invited some degree of opposition and controversy It is one of the most vivid displays of God's presence and power among his people Many however struggle with the very concept of prophecy They are troubled by the possibility that God may have direct access to our minds Greg Haslam argues that such concerns are misplaced He considers how God speaks and how we should hear him how we can test and deliver a prophetic word and how we can grow in confidence as we learn to discern what the Spirit is saying to the church An excellent guide to this vital ministry Dr Michael Eaton Chrisco Fellowship of Churches Greg Haslam offers us sane biblical wisdom about the prophetic in this vital long overdue book This is no inspirational snack but a gourmet feast to be savored This book is a gift Don't miss it Jeff Lucas author speaker and broadcaster Greg has dealt with a most needed and misunderstood subject in modern Christian thinking and done so with theological acumen biblical knowledge and spiritual intelligence For those who are interested in understanding the prophetic and developing their gift in this area this book is for you Dr R T Kendall Minister Westminster Chapel 1977 2002 *Moving in the Prophetic* Gregory Haslam, 2012-11-20 The gift of prophecy has always invited some degree of opposition and controversy It is one of the most vivid displays of God's presence and power among his people Many people struggle with the very concept of the validity of prophecy today They are troubled by the possibility that God may have direct access to our minds Greg Haslam argues that such concerns are misplaced Following St Paul's injunction that we should be eager to prophesy he considers how God speaks and how we should hear him how we can test and deliver a prophetic word and how we can grow in confidence as we learn to discern what the Spirit is saying to the church *Preaching Like the Prophets* Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make

truth come alive and how they persevere in their ministry you too can learn to preach like the prophets     *Your Daughters Will Prophesy* Lisa Marie Gring-Pemblem, Martha Watson, 2025-05-22 How nineteenth century women used the Bible to claim their voice on the moral questions of their day Caught between their identity as Christians and social norms that silenced them American women used scripture to claim moral and then rhetorical agency They reinterpreted familiar biblical passages recovered previously ignored stories about women and contested passages used to circumscribe women's activities By strategically adopting a rhetorical posture of dissent these women became prophetic voices in American society In *Your Daughters Will Prophesy* Lisa Marie Gring Pemblem and Martha Watson analyze the argumentative resources four women Jarena Lee Sarah Moore Grimké Lucretia Coffin Mott and Frances Willard used to counter gendered restrictions and gain access to platform and pulpit catalyzing what became known as the woman's movement     *Merchandising the Anointing* Rick Renner, 1990     **Christian Herald** ,1974     **Herald and Presbyter** ,1923     **Lutheran Woman Today** ,1991

Everyday Prophets Margery Post Abbott, 2016-07-26 In this Lecture Margery Post Abbott explores the interplay between faith and action drawing on her wide range of experiences as a scholar activist sailor and Quaker Taking an ethical stance acting on the concern for justice and the yearning for peace does much to open hearts Yet some activists get burnt out or caught up in the tangle of power or pride becoming what they were resisting Friends have always asserted that there is a source of strength and guidance that paraphrasing William Penn changes the human heart so that each person might better change the world is Spirit fuels the work for which Friends are most known Faithfulness to the Inward Guide lifts us free of the desire for personal success or for revenge or for control over the world around us By listening for and following the Voice of the Light each of us might become an Everyday Prophet Such people walk humbly even as they come to speak boldly following the path of compassion and justice We do this best as part of a community that is able to carry a vision of the New Creation the Kingdom of God being formed on earth as we remind each other to listen for the movement     **Review and Herald** ,1966     *The Princeton Seminary Bulletin* Princeton Theological Seminary, 1986 No 1 of each vol is the academic catalog of the Seminary 1907-76     **Pictorial Biblical Encyclopedia** Gaalyahu Cornfeld, 1964 Alphabetically arranged articles dealing with the people civilizations and religious ideas of the Old and New Testaments Embraces all Biblical research since World War I     **Christian Herald and Signs of Our Times** ,1881     **The Baptist** ,1921     **Bible-light on Life's Pathway** John A.
