Become The Person You Needed Before: Heal, Grow, Lead, Repeat With Grace Sybex Books, 2025-06-22 You know that ache inside the one that remembers who you needed back then. The mentor. The guide. The voice that said, "You're not broken, just becoming." *Become The Person You Needed Before* is a transformational guide to turning your past pain into present power. Whether you're healing from trauma, navigating change, or stepping into leadership, this book gives you the tools to become the kind of grounded, compassionate, and wise person your younger self longed for. It starts with radical healing, not just on the surface but deep in the places where your identity, self-worth, and belief system were shaped. You'll walk through the process of emotional repair, mental clarity, and spiritual growth with grace as your compass. But healing doesn't end with you. This book also shows you how to lead from your scars, not your ego. How to model vulnerability without weakness. How to offer guidance without needing to be perfect. Through stories, reflections, and daily practices, you'll learn how to live with compassion, set boundaries without guilt, and rise into the kind of leader who leads by living whole. Because the most powerful kind of influence doesn't come from pretending to have it all figured out. It comes from someone who's walked through the fire, chosen to grow, and returned to light the way for others. This is your call to rise and to bring others with you. **The**
