**Mrs. Brookfield and Her Circle (Classic Reprint)** Charles Brookfield, 2016-06-21 Excerpt from Mrs Brookfield and Her Circle As letters they have been singularly pleasant to deal with most of them being written in the fairest of handwritings while their style the reader will see for himself They have not been chosen merely for their felicity of expression nor for their gay banter in all cases we have given preference to those that contain some sequence either of emotions or of events The quaint and variable spelling we have taken the liberty except when it was likely to interfere with the spirit or the theme of the writer to modify About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Mrs. Brookfield and Her Circle, Vol. 1 (Classic Reprint)** Charles Charles, 2018-01-05 Excerpt from Mrs Brookfield and Her Circle Vol 1 We have

endeavoured in arranging for publication the letters printed in this volume to let them speak for themselves as far as possible being persuaded that their style and quality reveal the characters of their writers and the manners of the time better than any pot pourri made from them could possibly do It was our intention at first to cite their authority and to form a book upon that but the charm of the documents won upon us to give them out as they were written They tell their own tale so well and with such singular and even piquant clearness elucidate current events that there seems no need for apology for this method of treatment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve
