My Heart Became Attached The Strange Journey Of John Walker Lindh

Clifford Lane

My Heart Became Attached The Strange Journey Of John Walker Lindh:

"*My Heart Became Attached*" Mark Kukis, 2003 What would cause an otherwise intelligent well educated and by all accounts privileged Californian to forgo an easy life in the United States to struggle for survival in a land of strife and mortal danger With this question in mind journalist Mark Kukis retraces the personal and spiritual evolution of the most reviled American traitor since Lee Harvey Oswald *My Heart Became Attached* provides a detailed biographical account of John Walker Lindh's journey beginning with his childhood in an affluent San Francisco suburb Kukis then follows Lindh's footsteps to Yemen where he learned Arabic and radical Islam and on through the wild hinterlands of Pakistan and Afghanistan The journey culminates with the violent prison uprising at Mazar i Sharif While conducting research Kukis achieved unparalleled access to major players in Lindh's life In Pakistan Kukis found the militants from the jihad group that trained with Lindh in a Pakistani camp Kukis also conducted several rounds of interviews with Lindh's friend who initially settled him in an Islamic boarding school with Lindh's instructor there and with fellow pupils in the hard-scrabble Pakistani village where he studied the Koran before journeying into Afghanistan In Afghanistan Kukis interviewed Taliban soldiers who fought at Mazar i Sharif and General Dostum warlord of the region Ex roommates family members and friends all contributed to Kukis's research resulting in the most thorough portrait available of the American Taliban

Arabs and Muslims in the Media Evelyn Alsultany, 2012-08-20 After 9 11 there was an increase in both the incidence of hate crimes and government policies that targeted Arabs and Muslims and the proliferation of sympathetic portrayals of Arabs and Muslims in the U S media *Arabs and Muslims in the Media* examines this paradox and investigates the increase of sympathetic images of the enemy during the War on Terror Evelyn Alsultany explains that a new standard in racial and cultural representations emerged out of the multicultural movement of the 1990s that involves balancing a negative representation with a positive one what she refers to as simplified complex representations This has meant that if the storyline of a TV drama or film represents an Arab or Muslim as a terrorist then the storyline also includes a positive representation of an Arab Muslim Arab American or Muslim American to offset the potential stereotype Analyzing how TV dramas such as *The Practice* *24* *Law and Order* *NYPD Blue* and *Sleeper Cell* news reporting and non profit advertising have represented Arabs Muslims Arab Americans and Muslim Americans during the War on Terror this book demonstrates how more diverse representations do not in themselves solve the problem of racial stereotyping and how even seemingly positive images can produce meanings that can justify exclusion and inequality

The SAGE Encyclopedia of Terrorism, Second Edition Gus Martin, 2011-06-15 This thoroughly updated edition with expanded coverage explores the impact of terrorism on economics public health religion and pop culture and also includes details of ethical issues and debates relating to terrorism

Disloyalty and Destruction Rob Barrett, 2019-07-25 The goal of the work is a heuristic reading strategy for a modern reader to engage with YHWH's threats against Israel in Deuteronomy This goal is accomplished in three steps First the

biblical text is considered through close reading to discern the logic of YHWH's threats what motivates the threats what form the threats take and what effect the threats expect to produce Second a modern analogy is sought that most helpfully matches the structure and logic observed in the biblical text A number of common modern analogies for the divine human relationship e.g. parent child master slave husband wife are deemed unhelpful because they cannot support the features of the biblical pattern However the threats of the modern state against those who threaten it are found to bear significant resemblance Finally this analogy is developed for each of several significant passages of Deuteronomy In order to justify and substantiate the analogy this book examines the religious and political background surrounding both Deuteronomy and the modern state through historical reflection Since there are significant differences between the religious political situations sociological perspectives are used to provide patterns that can be applied within both the ancient and modern contexts Finally although the focus of the work is on establishing an analogy between YHWH's threats and those of the modern state the book dedicates one chapter to discussing dissimilar features to avoid over emphasizing the similarity between the two

Braille Book Review, 2005-03 **Torture, Intelligence and Sousveillance in the War on Terror** Vian

Bakir, 2016-02-24 *Torture Intelligence and Sousveillance in the War on Terror* examines the communication battles of the Bush and Blair political administrations and those of their successors in America and Britain over their use of torture first hand or second hand to gain intelligence for the War on Terror Exploring key agenda building drivers that exposed the torture intelligence nexus and presenting detailed case studies of key media events from the UK and USA this insightful volume exposes dominant political discourses on the torture for intelligence policy Whether in the form of unauthorized leaks official investigations investigative journalism real time reporting or Non Governmental Organisation activity this timely study evaluates various modes of resistance to governments attempts at strategic political communication with particular attention to sousveillance community based recording from first person perspectives A rigorous exposition of the power knowledge relationships constituting the torture intelligence nexus which re evaluates agenda building models in the digital age and assesses the strength of the public sphere across the Third Fourth and Fifth Estates *Torture Intelligence and Sousveillance in the War on Terror* will appeal to scholars across the social sciences with interests in media and communication sociology and social theory politics and political communication international relations and journalism
