My Spiritual Journey:

My Spiritual Journey into Christ Consciousness Gilbert Andres Esquibel, 2015-09-17 The spiritual journey is an experience of the deepest darkest side of ourselves and the highest and most sacred truth of who we are In this book I have written about my experiences of both which eventually brought me to a state of Christ Consciousness I have also shared the wisdom I have gained along the way We are in the most amazing time on earth a time of mass spiritual awakening along with the evolution of mother earth herself to a higher frequency I have written this book with the intention of reaching out to light workers who are still asleep and those who are just waking up It is critical that all light workers fulfill the mission for which we have come to earth to do in this period of transformation I accept that this book will be a light on the path for those it is intended to reach I honor all who are walking this path and making the way easier for those souls who are to follow

MY SPIRITUAL JOURNEY. MARGARET. MUTANDWA, 2009

The Seeker and the Sought Dwight Samuels, 2020-06-09

In this book The Seeker and the Sought Dwight Samuels has attempted to share with the reader some of his personal spiritual experiences that have transformed his Christian belief system and his beliefs about religions as a whole coming to the realization that it was far from most of what he had been taught in churches his worldly experiences surrounding the question of this creation God and Jesus Christ as the only son of God Through his seeking from an early age he was able to discover many hidden spiritual truths that enlightened his higher consciousness as to who and what God is after finally meeting and being initiated into the Spiritual Path or as the Bible refers to it The Way by a Perfect Living Master This was after realizing that he knew absolutely nothing about most things in life except what he was taught either in school or by his mother which was also very limited and coming to the realization that anything that he really learned he learned through his own experience Even while in school you have to practice your ABCs learn to read and write or practice math to make it to higher levels of mathematics Well guess what The spiritual path is no different You cannot just read the Bible Koran Vedas or Torah and expect anything except your own mental gymnastics of what is being said in them One has to have a real spiritual teacher It was thirty seven years ago that the love and grace of God was bestowed upon me and the Perfect Living Master of our time came into my life and initiated me onto the spiritual path and through real practice the realizations that he has shown me has confirmed many of the events that Christ describes in the Bible I pray that you the reader has the same opportunity
