Note: Be sure to check all websites listed in this Study Guide to ensure suitability for your class.

Getting Started

- Have students each research two facts about Afghanistan (e.g., languages, religion, population, area, capital, life expectancy, literacy rate, monetary unit, flag, geographical features, climate, historical information, art, architecture, music, media). Have volunteers compile the information for a “Quick Facts” sheet or a bulletin board display.
- Read the Author’s Note (pages 199–201) for background information and context.
- Provide information about the author, Deborah Ellis, from online interviews, videos and the “About the Author” section on the last page of *My Name Is Parvana*.
- Display a series of maps of Afghanistan and have students consider its geographical features such as its landlocked situation, bodies of water, regions, major cities and bordering countries. Have them discuss the effects of these features on the people who live there. Have them also figure out where it is relative to your latitudinal location, and its size compared with your province or state.
- Have students view photo essays or other collections of photographs of Afghanistan and have them discuss their responses with a partner or small group.
- If students have not read the three other books in the series, explain that *My Name Is Parvana* is a sequel to three previous books set in Afghanistan that feature Parvana and her friend Shauzia. Read students the synopses of *The Breadwinner*, *Parvana’s Journey* and *Mud City*, found on their back covers.
