Jeffrey Tauber, 2000 **The Continuum of Care Treatment Planner** Chris E. Stout, Timothy J. Bruce, Arthur E. Jongsma, Jr., 2025-04-03 Create customized formal treatment plans with over 1 000 professional goal and intervention statements. The Continuum of Care Treatment Planner offers clinicians a timesaving evidence based guide that helps to clarify, simplify and accelerate the process of planning treatments for adults and adolescents. The authors provide a thorough introduction to treatment planning along with the elements necessary to quickly and easily develop formal customizable treatment plans. Treatment planning statements satisfy the demands of HMOs, managed care companies, third party payers and state and federal agencies. This planner provides treatment planning components for anxiety, bipolar disorder, depression, eating disorders, posttraumatic stress disorder, substance use disorders and beyond. Following the user friendly format that has made the Treatment Planners series so popular, this book smooths the planning process so you can spend less time on paperwork and more time with clients. Get definitions, treatment goals and objectives, therapeutic interventions and DSM 5 diagnoses for mental disorders in adults and adolescents. Employ over 1 000 polished goals and intervention statements as components of provider approved treatment plans. Use workbook space to record customized goals, objectives and interventions. Access a sample plan that meets all requirements of third party payers and accrediting agencies, including the JCAHO. This updated edition of The Continuum of Care Treatment Planner is a valuable resource for psychologists, therapists, counselors, social workers, psychiatrists and other mental health professionals who work with adult and adolescent clients.
