5 Tips for NREMT Success

- Study and participate in class. Success takes work.
- Sleep a clear head. Get a good night's sleep, don't try a last-minute cramming or studying in the parking lot before going in. Stay calm and relaxed.
- Study the right stuff. The NREMT uses application questions and simple knowledge (what is what most people study).
- Don't rush. Take your time. There is enough time for each question.
- Shake it off. Don't have emotional reactions over difficult questions. You will get some wrong. When you get tough questions, don't let it shake your confidence.
