Doorbuster Near Me Customer Service:

My Husband's Wife Carla Kovach, 2025-09-08 Five years ago I buried my husband Today I saw him with his new wife Thank you for agreeing to be our wedding planner Theo is on his way Madison says as we meet to plan her dream wedding The moment her fianc enters the room a newborn baby in his arms my whole world shifts and I grab hold of my desk to stop myself from falling Theo shakes my hand as he introduces himself but I already know who he is He's my husband The man I thought had died five years ago Lovely to meet you Eva he says carefully avoiding my frozen stare I'd recognise his smooth voice anywhere I want to scream ask him why he's doing this to me But I know just how good a liar my husband is And he knows my darkest secret I can't risk him destroying everything I've worked so hard for At the end of the meeting I watch the happy little family walk away and I don't miss Theo's eyes staring at me just a second too long He knows I'm onto him But only I know what I'm going to do next Readers who loved The Housemaid The Perfect Marriage and Gone Girl will love the jaw dropping twist in this absolutely gripping psychological thriller What readers are saying about My Husband's Wife Another amazing five star read A fast paced rollercoaster of a read and had me gripped from the very beginning so much so that I read it in one sitting Goodreads reviewer The literal definition of a page turner I read this in one sitting Absolutely WILD and wow holy cliffhanger I physically gasped out loud A fantastic 5 star read Goodreads reviewer I had so many emotions as I read this book I was screaming I read it in one sitting This book consumed me till the very end Askawayblog A fast paced edge of your seat thriller I was gripped from the very first page It was a wild ride Addictive It sent me on a rollercoaster of emotions and didn't let me go until the very end This is definitely a must read Arcreviews_by_m A fast paced one sitting read It's like a boulder rolling down a hill it just keeps picking up speed as it goes Goodreads reviewer The end was a heart racer Left me speechless Goodreads reviewer What readers are saying about Carla Kovach Wow wow and more wow I couldn't put this one down for the life of me I read this in just a few sittings Left me totally speechless I thought my head was going to explode Fantastic Gripped and on the edge of your seat throughout Heart attack of an ending I couldn't believe it OMG Blue Moon Blogger Oh wow I loved this so much Had me hooked from the start I read this pretty much every spare minute I had and finished within three sittings over a day I just couldn't get enough of it Gripped me straight away Brilliant NetGalley reviewer I LOVED this I read it in one sitting as I found it impossible to put down Fast paced and keeps you guessing the whole way through Goodreads reviewer This story had me in complete turmoil I couldn't stop reading The storyline blew me away and certainly had me on the edge of my seat and my heart pounding Superb NetGalley reviewer Wow this was a page turner There is so much tension and you are kept guessing over and over Could not get enough of this An amazing book from an amazing author Goodreads reviewer **Play, Rewind** John Vurro, 2025-04-29 Wes is stuck He should be spending his twenties finishing the schooling that will help him land a career in movies just like he's always dreamed about Instead he divides his time between clerking in the most low rent video store in Queens and caring for a mom

struggling with Alzheimer's His father's out of the picture and he has no realistic means of finding care for her beyond the harried home nurse who's already on the brink of quitting but even though he's sure his mother won't even remember his efforts he's still committed to her Still he doesn't have much to do outside life's boring routines except pressing Play and Rewind to try and identify the moments when it all went wrong And maybe watching the random vacation video that some customer left at the store to be copied Then change A friend from high school returns to the neighborhood after a mysterious absence and a disreputable man from the neighborhood takes over the store He may or may not be mobbed up Who can say really It's not the sort of thing you ask your new boss And he finds out his father may be closer than he thinks In short order Wes's life's starting to look different Whether that's a good or a bad thing is tough to say the store's new owner wants to make easy money selling bootleg videos out front and we all know the FBI frowns on that sort of thing the high school friend may be too eager to make amends and to hide the secrets of her own past mistakes but still it's something Now Wes has to navigate feelings far more frightening than stasis and find a way forward despite everything pulling him back Play Rewind is a lovely literary look at a place near and dear to our hearts one we all might want to visit if we had a time machine the video store And it sends us to another vanished place peaceful and innocent pre 9 11 New York More importantly it's a great glimpse into lives we can all relate to people struggling against impossible odds unsure if anything will ever change It's a fantastic debut novel from an amazing new author John Vurro I loved it so much that after I read it I wanted to rewind back to the beginning and read it again Vurro's is a bold and brilliant new literary voice This beautiful novel moved me deeply
