Drucker**

My Years With General Motors By Alfred Sloan:

My Years with General Motors Alfred Sloan, 1964 This story of General Motors growth focuses on its organization management and marketing techniques **Summary: My Years with General Motors** BusinessNews Publishing, 2014-09-29 The must read summary of Alfred P Sloan Jr s book My Years with General Motors How General Motors Was Built Into the Largest Corporation in the World This complete summary of the ideas from Alfred P Sloan Jr s book My Years with General Motors shares Alfred P Sloan Jr s experience as a CEO of General Motors from 1923 to 1946 In his book the author explains the policies and processes he used at General Motors to make it the number one organisation in the automobile industry By learning about his strategies you can start applying them to your own business and take your company to the next level Added value of this summary Save time Understand the key concepts Expand your business knowledge To learn more read My Years with General Motors to learn about one of the top companies in the world and how it achieved success My Years with General Motors, [by] Alfred P. Sloan, Jr. Edited by John McDonald with Catherine Stevens ,1964 **A Ghost's Memoir** John McDonald, 2003 The story of the ghostwriting of Alfred P Sloan s best selling memoir General Motor s attempts to block the book s publication and the author s eventual triumph over the corporation Published in 1964 My Years with General Motors was an immediate best seller and today is considered one of the few classic books on management The book is the ghostwritten memoir of Alfred P Sloan Jr 1875 1966 whose business and management strategies enabled General Motors to overtake Ford as the dominant American automobile manufacturer in the 1920s and 1930s What has been largely unknown until now is that My Years with General Motors was almost not published Although it was written with the permission of General Motors and slated for publication in October 1959 at the last minute General Motors tried to suppress the book out of fears that some of the material in it could become evidence in an antitrust action against the company This book by John McDonald Sloan s ghostwriter tells the behind the scenes story of the book s writing its attempted suppression and the lawsuit that eventually led to its publication McDonald s narrative is partly the David and Goliath story of a lone journalist taking on the world s then largest corporation and partly a study of strategy in its own right McDonald s struggle to publish the book led him to navigate a complicated course among the competing interests of General Motors Fortune magazine his employer and Time Inc Fortune s owner In many ways this book about the book parallels the Sloan book as a tale of successful brilliantly planned strategy My years with General Motors. By Alfred P(ritchard) Sloan Alfred Pritchard Sloan, 1972 **Sloan Rules** David Farber, 2002-11-15 Alfred P Sloan Jr became the president of General Motors in 1923 and stepped down as its CEO in 1946 During this time he led GM past the Ford Motor Company and on to international business triumph by virtue of his brilliant managerial practices and his insights into the new consumer economy he and GM helped to produce Bill Gates has said that Sloan s 1964 management tome My Years with General Motors is probably the best book to read if you want to read only one book about business And if you want to read only one book about

Sloan that book should be historian David Farber's Sloan Rules Here for the first time is a study of both the difficult man and the pathbreaking executive Sloan Rules reveals the GM genius as not only a driven manager of men machines money and markets but also a passionate and not always wise participant in the great events of his day Sloan for example reviled Franklin Roosevelt and the New Deal he firmly believed that politicians government bureaucrats and union leaders knew next to nothing about the workings of the new consumer economy and he did his best to stop them from intervening in the private enterprise system He was instrumental in transforming GM from the country's largest producer of cars into the mainstay of America's Arsenal of Democracy during World War II after the war he bet GM's future on renewed American prosperity and helped lead the country into a period of economic abundance Through his business genius his sometimes myopic social vision and his vast fortune Sloan was an architect of the corporate dominated global society we live in today David Farber's story of America's first corporate genius is biography of the highest order a portrait of an extraordinarily compelling and skillful man who shaped his era and ours

My Years with General Motors Alfred P. Sloan, John McDonald, Catharine Stevens, 1986

My Years With General Motors Alfred P. Sloan, Jr., Peter Ferdinand Drucker, 1990-08-30 This memoir by Sloan was an instant bestseller when it appeared in 1964 It has remained a favorite among managers and mgmt students Sloan wrote this book to counterbalance a book that GM's senior exec thought to be pernicious Peter Drucker's book on GM 3 Concept of the Corp 2 pub in 1946 the first study of mgmt as a discipline the first study of a big corp from within Sloan defended Drucker's right to publish the study but Sloan wrote this response which Bill Gates praises as the best book to read on bus It offers personal glimpses into the practice of the 3 discipline of mgmt 2 by the man who perfected it a distillation of 50 years of intimate leadership experience with a giant industry and an inside look at dramatic events and creative bus mgmt

My Years with General Motors Alfred Pritchard Sloan (Jr.), 1969

Making the Managerial Presidency Peri E. Arnold, 1998 Examines the political history of administrative reform undertaken by 20th century presidents Attempting to explain the growth of modern bureaucracy within an 18th century framework and the expansion of presidential control over administrative powers the author explores the relationship between administrative

theory and the dilemmas posed for a developing administrative state by the separation of powers He also looks at and compares successive cases of presidentially initiated comprehensive reform planning in order to understand the implications for the president's institutional role Paper edition unseen 25 00 Annotation copyrighted by Book News Inc Portland OR
