

## **My Sister, My Bestfriend**

**Within my hearts, within my soul longing for you  
Though you left me  
But my love for you will never end  
As the day's past by  
This feelings makes more stronger  
I remember you...  
...in every places we've visited  
...in every song we've sung  
...in every movie we've watched**

**When I close my eyes at night  
Hoping to see you in my dreams  
So we can catch up things we missed  
Sisters are forever though death set us apart  
Memories remain here... in my heart  
One day we will be together again  
When my time comes to end...please hold my hand  
So no fears will envelop me but for now...  
If only... I can form the clouds the word I love you  
so you can read it  
If only... I can ask the wind to blow the word I love you**

**so you can hear it  
If only... I can ask the sun to shine  
So you can feel the warmth of my embrace  
I LOVE YOU more than you ever know  
Sister's are forever and it will never change  
Even death can do without it.**
