**"Thoughts for Each Step... Every Day"** John Graham, 2011-06-10 Humanity must have food and drink each day in order to survival Humanity must pause for a time of rest each day in order to maintain the strength to perform the task of the following day Humanity must enter into some type of relationship with another person each day unless he began to feel isolated and inferior Just as the physical and psychological aspects of man must have certain needs met each day so must the spirit of man We may go with the flow for awhile but deep within the confidence of humanity is the soul And that soul must experience and enjoy a renewal Such renewal is found in a daily relationship with the Creator of life Man must pause from his daily routine and purposefully focus on the Word of God which in turn will enrich encourage and enable him to face each circumstance and condition that a days activities may confront him The Bible declares they that wait upon the Lord shall renew their strength they shall mount up with wings as eagles they shall run and not be weary and they shall walk and not faint Isaiah 40:31 KJV Within the pages of this daily devotional you will find strength stability and satisfaction awaiting you each step of every day *The Book of Wisdom* Osho, 2023-07-09 Religion is not a science Religion is not a science in the sense physics mathematics and chemistry are sciences But still it is a science because it is the ultimate knowing the word science means knowing And if religion is not a science what else can be It is the highest knowing it is the purest knowing Ordinary science is knowledge not knowing religion is knowing itself Ordinary science is object oriented it knows something hence it is knowledge Religion is not object oriented it has no object it knows nothing Knowing knows itself as if the mirror is reflecting itself It is utterly pure of all content Hence religion is not knowledge but knowing **The Science of Getting Rich, Great And Well** Wallace D.
