Intermittent fasting, also known as intermittent energy restriction, is an umbrella term for various meal timing schedules that cycle between voluntary fasting and non-fasting over a given period. It allows the participant to lose large amounts of weight with no strenuous change in activity or types of food consumed. This would appeal to people from all walks of life and in different stages of healthiness. Intermittent Fasting and You informs and motivates the reader by using the personal journey and transformation of the author while employing intermittent fasting techniques. The reader will follow the author through hunger, life battles, disappointment, and weight gain as she herself navigates intermittent fasting. This book is relatable for all ages. Everyone can relate to the struggle of losing weight, especially those looking to lose weight in a biblical manner. People of all ages are trying to lose weight and get healthy. This pandemic has also sparked new converts to Christianity. People all over the world are coming to the realization that they need the one true God in their lives. Fast With Me Nanette Langston Meredith, 2022-12-01 Fasting for Christ during the Great Lent season gives us as Christian believers the opportunity to come into closer communion with God. As we give up eating food altogether for long periods of time, we also learn that this sacrifice of love is symbolic of the greater purpose of giving up our sins, habits, and anything that would keep us from being better followers of Christ. This book is a practical Bible study manual that is designed to be either done by the individual privately with the Lord or as a group Bible study. It teaches those interested in growing in faith how to successfully do a forty-day long Lenten fast. All of the instructions, rules, and tools needed to learn how to fast for the Lord are provided in this study. There is a daily meditation guide for each of the forty days of the Great Lent fast, as well as a beautiful journey journal. There are recipes and a sample meal plan as well to support those on this journey. Fasting is an ancient spiritual discipline that has been neglected in modern times, yet it holds such great spiritual power for believers to grow in their personal relationship with the risen Lord and celebrate their faith in a whole new way every day.
