Gehring,2021-01-29 Charlie Chaplin s A Woman of Paris 1923 was a groundbreaking film which was neither a simple recycling of Peggy Hopkins Joyce s story nor quickly forgotten Through heavily documented period research this book lands several bombshells including Paris is deeply rooted in Chaplin s previous films and his relationship with Edna Purviance Paris was not rejected by heartland America Chaplin did romantic research especially with Pola Negri and Paris many ongoing influences have never been fully appreciated These are just a few of the mistakes about Paris Truth ,1888 *Story Engineering* Larry Brooks,2011-01-27 What makes a good story or a screenplay great The vast majority of writers begin the storytelling process with only a partial understanding where to begin Some labor their entire lives without ever learning that successful stories are as dependent upon good engineering as they are artistry But the truth is unless you are master of the form function and criteria of successful storytelling sitting down and pounding out a first draft without planning is an ineffective way to begin Story Engineering starts with the criteria and the architecture of storytelling the engineering and design of a story and uses it as the basis for narrative The greatest potential

of any story is found in the way six specific aspects of storytelling combine and empower each other on the page When rendered artfully they become a sum in excess of their parts You ll learn to wrap your head around the big pictures of storytelling at a professional level through a new approach that shows how to combine these six core competencies which include Four elemental competencies of concept character theme and story structure plot Two executional competencies of scene construction and writing voice The true magic of storytelling happens when these six core competencies work together in perfect harmony And the best part Anyone can do it
