

The current economic challenges are forcing us to re-evaluate our organizational design—and with that change comes great opportunity. Together, leaders and followers are likely to create a new, more authentic, resilient and efficient system, one that is more in tune with the needs of the 21st-century marketplace.

He'll offer a culture-driven perspective on sales work. He won't be the computer salesman market has a better understanding that customers do long hours of selling themselves, rather than straight-up, and inevitable growth. And he won't be the market currently requires through their targets and objectives to achieve the future.
