Legendville Book One Stuart Grant, 2014-02-21 Detective Stephen Lewis works for the Detroit PD During the summer of 2001 the city is in a state of fear held in the clutches of a serial murderer the media have dubbed The Chrysler Killer One night whilst in pursuit of the man he believes to be the prime suspect Detective Lewis is responsible for the death of a child From that moment on Stephen s life spirals out of control as he is made a scapegoat by the Justice Department s investigation into corruption and Police brutality Stripped of his job and hitting the bottle Stephen hits rock bottom and can only see one way out believing he has nothing to live for he contemplates ending his life Before he can go through with it Agent Maguire turns up at his door Representing The Company he offers something that most people never get a second chance to make something of his life An opportunity to be part of something bigger than anything Stephen can imagine the offer to be part of Project Blue Chrysalis Established in 1948 by Joseph Kennedy Jnr and Adolf Hitler Blue Chrysalis was supposed to be an escape A place where the rich and famous could live out their lives in comfort away from the never ending scrutiny of life in the public eye Over the years they have come John Belushi River Phoenix Kurt Cobain all faking their deaths in order to join the growing community living within the confines of the Project It was a simple life and a peaceful one that was until 1981 the year The Company played their hand Agreeing deals with a multitude of South American Governments The Company began to ship prisoners from the over populated prisons of the continent and place them in a specially built sector of the underground city Their hands tied the celebrity residents have no option other than to stay building a wall around themselves whilst letting it be known that they would continue to oversee the Project governance To maintain control a security force is required and this was where the offer of a second chance came in Stephen Lewis was dead but Noah Franklin had a clean slate with which to work The job was mundane knowing there was no way out everybody lived in relative peace a blind eye turned to the drugs and gambling in return for a truce between the four boroughs That was until a murder took place all of the evidence pointing to it being the work of someone who had grand plans for bringing Project Blue Chrysalis to its knees As much as he doesn t like it Noah is tasked with stopping the murderer before his work can be completed Surrounded by the worst that society has to offer and being pressured by superiors to deliver Noah must do everything in his power to bring the killer to justice All the while walking the thin line between the inmates and their famous warders

Mightier Than the Sword Megan Webster, 2012-06-05 On a fateful trip to India Derek Farfield becomes lost and is forced to pay for directions from an old merchant woman who insists he choose a pen from her stall Subsequently a freak storm blackens the skies and clears the outdoor marketplace leaving Derek standing alone in the muddy street clutching a black pen with a shining brass top Several days later Derek arrives home in New York and it is not long before something strange begins to occur Although he is a bachelor and lives alone a mysterious handwritten manuscript starts to appear at random intervals and in installments Curious Derek gives into temptation and soon discovers that he feels an

inexplicable connection to the story partially fueled by the seemingly impossible similarities between it and his own life But there are others who would desire the powerful pen Price Redmond a vicious bounty hunter is intent on collecting the reward offered by a very prominent politician in exchange for the pen and he will do anything to get it Even as Derek enters into a turbulent romance and fends for his life from the malignant Price he becomes entranced by the manuscript which relates the tale of Gavin a young palace guard in medieval times who stumbles across a mysterious old woman and is entrusted with a quill The two interlocking stories are separated by time and space but nothing can cloak the bonds that have been forged between souls bonds that have resurfaced in the present day and will now either be shattered forever or made stronger And all because of a pen The Academy and Literature ,1898 The Publishers Weekly ,1887 **The Bookman** ,1895
