Redefining Retail Philip Kotler, Giuseppe Stigliano, 2024-01-09 Discover the new realities of working in the post digital era of consumer brand and retail marketing. In *Redefining Retail 10 Guiding Principles for a Post Digital World* renowned international marketers Prof Philip Kotler and Dr Giuseppe Stigliano deliver a timely and insightful examination of retail and consumer brand marketing. In the book you'll find practical and concrete techniques for redefining your organisation's internal operations and processes as well as its business strategy. You'll rethink the entire value chain as you consider the growing importance of sustainability, diversity and inclusion working policies and more. The authors describe ten critical principles that should guide the actions of your company whether you work with a startup, an SME or a large established organization. They also discuss the main challenges retailers face in a world that's been fundamentally transformed by the digital revolution. How to future proof your marketing strategy including 10 guiding principles for a new customer experience at retailers and consumer brands. The opportunities and threats of creating a seamless customer journey in the physical, digital and virtual realms. Perfect for managers, entrepreneurs, consultants and investors in both the B2B and B2C sectors. *Redefining Retail 10 Guiding Principles for a Post Digital World* will also prove invaluable to students of management, marketing and business administration as well as anyone with an interest in the evolution of commerce.
