*The Zero Transaction Cost Entrepreneur: Powerful Techniques to Reduce Friction and Scale Your Business* Dermot Berkery, 2023-08-08. Harness the power of zero transaction costs to ensure long-term success in every new business proposition. For many business professionals, the daily to-do list is hard enough to stay on top of, let alone coming up with the big ideas necessary to take their company or a whole economy to the next level. But if coming up with those ideas or finding start-ups that do is your job, then *The Zero Transaction Cost Entrepreneur* is an absolute must-read for you. With more than 20 years of experience and an extraordinary record of success stories, to his credit, venture capitalist Dermot Berkery has seen thousands of business plans, and in these pages, he shares the key ingredient these successes have in common: Smart transaction cost economics. Simply put, these businesses lower or eliminate transaction costs for their customers. Here's just one of the real-world examples you'll find within: Blockbuster Video scored big by making movies easily available to rent; that's a reduction in a transactional cost. Netflix then removed another transaction cost: a trip to the store, sending DVDs through the mail. They tackled other transaction costs: limited choice and wasted time by moving to streaming. Finding and loosening these transaction costs creates extraordinary opportunities in every field and industry for entrepreneurs and venture capitalists, to corporate strategists and R&D heads. In these pages, you'll discover how transaction cost economics can
