Multiply Disciples Making Disciples:

Multiply Francis Chan, Mark Beuving, 2012-11-01 Jesus gave his followers a command Follow me And a promise And I will equip you to find others to follow me We were made to make disciples Designed for use in discipleship relationships and other focused settings Multiply will equip you to carry out Jesus's ministry Each of the twenty-four sessions in the book corresponds with an online video at www.multiplymovement.com where New York Times bestselling author David Platt joins Francis in guiding you through each part of Multiply One plus one plus one Every copy of Multiply is designed to do what Jesus did make disciples who make disciples who make disciples Until the world knows the truth of Jesus Christ **Make Disciples That Make Disciples** Tim Garland, 2020-02-06 The church does great things in the name of Jesus feed the hungry clothe the naked put roofs over the heads of the homeless fight for civil rights provide for the needs of children and many more good deeds These acts are living out the hands and feet of Jesus to a lost world meeting these immediate needs These acts Glorify God however are they fulfilling the great commission This book was written primarily as a means of teaching how to make disciples that make disciples How do we fulfill the great commission Should the great commission be the mission of the church Is it in mine Why not This book was designed with small same gender groups in mind After the first 7 chapters explaining what discipleship is and how to do it each chapter thereafter fills in the content of discipleship Chapters 8-28 each have seven verses listed at the end of the chapter for further study on the topic of the chapter To best utilize this book as a training manual I advise each person to use those seven verses as their personal time alone with God verse of the day If you followed the plan of each verse at the end of the chapter as daily bible study and read one chapter per week then this book would cover approximately 6 months of training My hope is that each person who takes this training manual serious would then take others through the same training that we would make disciples that make disciples Christ's Way of Making Disciples Philip G. Samaan, 1999 Explores the dynamic process and progressive steps of Christ's strategy for revitalizing our lives our witness and our church's effectiveness **Disciple Making Is . . .** Dave Earley, Rod Dempsey, 2013-08 Dozens of brief yet powerful chapters about what it really means to live out the Great Commission in practical terms written by two men with more than sixty years of combined discipleship experience **The Disciple-Making Pastor** Bill Hull, 2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor's role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church *Making Disciples Through Home Assemblies*, Dwight, Patrice Gillespie, 2022-05-03 Statistics on church growth reveal

some startling facts Overall church attendance in America is declining The number of those who claim they are done with churches is growing Those who list none as religious affiliation are increasing After COVID 19 some are reluctant to return to church services in buildings What if you had a way to make disciples for Jesus in your neighborhood Is there a way to reach those who have left the churches or who will not go back to a church building Yes Making Disciples Through Home Assemblies can show you how The book is based on the biblical patterns of the first century disciples who were highly effective in disciple making in obedience to Jesus command to make disciples and be His witnesses Matthew 28 18 20 and Acts 1 8 Studying Acts and other New Testament verses the authors show that those disciples believed that making disciples and growing the Kingdom of God was the number one priority The authors also show that individuals met in homes in the absence of church buildings and that any believer can become a disciple maker for Jesus Making Disciples Through Home Assemblies contains biblical rationale for home assemblies material that can be used for training yourself and others to lead a home assembly and the biblically based study guide for your home assembly meetings is included The material in this book has been extensively tested for over two years with audiences of diverse ages and many individuals have been successful in creating their own home assemblies and making disciples for Jesus across the United States Now you too can start a home assembly and teach others how to become disciples for Jesus

Multiplying Disciples: Phil Wilthew, 2023-06-02 How do we raise up radical disciples that change neighborhoods and nations Discipleship is not the call for the few but for all who follow Jesus We are all called to become and to make multiplying disciples In Multiplying Disciples Phil Wilthew explores the three dimensional life of every disciple unveiling an easily transferable toolkit for living life like Jesus Wilthew considers the upward life of red hot devotion to God the inward life of character in community and the electrifying outward call to make a difference in the world in Jesus name Jesus discipleship model has now become our mandate for multiplication and the goal of this book is to help release radical disciple making disciples all over the world who can perpetuate the glory of God wherever they go into every sphere of society
