Gary Ross

Video Editor Ai Top:

AI-Augmented Video Editor HEBooks, Editing video used to take forever You'd spend more time cutting clips syncing sound and chasing consistency than actually telling your story Enter AI your new secret weapon This book shows you how to use artificial intelligence to automate the boring parts of editing so you can focus on what matters crafting powerful emotional audience grabbing content From smart scene detection to auto generated timelines voice cloning real time captions and even AI driven storytelling this guide gives you the tools to work faster smarter and more creatively than ever before No fluff No jargon Just actionable AI powered techniques that turn hours of work into minutes and good videos into unforgettable ones If you're ready to stop fighting the timeline and start shaping stories with AI by your side this is your roadmap Because the future of editing isn't just fast it's intelligent And it's already here **Make \$5000/Month Online with AI**, 2025-11-18 This book will show you the art of getting more customers to spend more money faster leveraging AI in the online world If you want to build an automated YouTube channel with AI this book will help you If you want to create and sell online courses on Udemy Kobo with AI assistance this book will help you If you want to secure freelance work on Upwork Fiverr by leveraging AI this book will help you If you want to write and publish best selling ebooks on Amazon Google Play Books with AI this book will help you If you want to apply AI across all aspects of your life and business to achieve financial goals this book will help you I'm not a happiness guru a fitness guru an investing guru or anything else But I can show you how to accelerate cash flow in an online business by orchestrating AI tools in other words get more customers to spend more money in less time over and over again through YouTube Udemy Upwork Amazon Kindle and more I know because it's all I've done in my adult career I've built automated AI business ecosystems earning thousands of dollars per month Today I teach how to build these AI systems in my AI Synergy Profit My side hustle I make content showing how we do it My joke life goal is to be the most jacked AI billionaire My real life goal is to die with nothing left to give A little more about the book if you want that An AI Money Model is a deliberate sequence of offers powered by artificial intelligence It's what you offer when you offer and how you offer it to make as much money as you can as fast as you can Ideally to make enough money from one customer to get and service at least two more customers in less than thirty days And it rarely looks clean but I break AI Money Models into three stages Stage I Get Cash AI Attraction Strategies get more customers for less through YouTube channel optimization automated social media content creation compelling ebook generation Stage II Get More Cash AI Upsell Downsell Strategies make more money from them faster through engaging online course design optimized Upwork Fiverr service offerings Stage III Get The Most Cash AI Continuity Strategies maximize their total money spent through automated email marketing systems AI powered customer relationship management In real life it happens like this First I get customers reliably with AI from YouTube Amazon Udemy Then I make sure they pay for themselves reliably with AI from course sales or service delivery Then I make sure they pay for other customers reliably with AI through automated marketing Then I start

maximizing each customer's long term value with AI optimization. Then I spend as many advertising dollars as I can to print as much money as possible backed by AI analytics. This is my cookbook for making money by leveraging AI synergy in the online world. It took me over a decade to learn all these tactics. It'll take you three hours. Use responsibly. Enjoy. If you want to learn more and make more money for your online business, then ADD TO CART use its contents and see for yourself.
