Ocr Gcse Grade Boundaries June 2013 History

**Christine Counsell, Katharine
Burn, Arthur Chapman**

Ocr Gcse Grade Boundaries June 2013 History:

Addressing Special Educational Needs and Disability in the Curriculum: History Richard Harris,Ian Luff,2017-04-11 The SEND Code of Practice 2015 has reinforced the requirement that all teachers must meet the needs of all learners This topical book provides practical tried and tested strategies and resources that will support teachers in making history lessons accessible and exciting for all pupils including those with special needs The authors draw on a wealth of experience to share their understanding of special educational needs and disabilities and show how the history teacher can reduce or remove any barriers to learning Offering strategies that are specific to the context of history teaching this fully revised edition will enable teachers to Make history education accessible and engaging to pupils of all abilities Create an inclusive classroom environment that responds to the emotional needs of the class and nurtures a culture of learning Develop inclusive practical demonstration and role play techniques to aid conceptual understanding Set assessment objectives Deploy in class support effectively An invaluable tool for continuing professional development this text will be essential for teachers and their teaching assistants seeking guidance specific to teaching history to all pupils regardless of their individual needs This book will also be of interest to SENDCOs senior management teams and ITT providers In addition to practical activities and supporting material contained in the book there are also free online resources for readers to download and use in the preparation of successful inclusive lessons for all pupils *The Times Index* ,2007 Indexes the Times and its supplements

MasterClass in History Education Christine Counsell,Katharine Burn,Arthur Chapman,2016-10-06 MasterClass in History Education draws on international research and practice to present effective and engaging approaches for history teachers who want to explore the ways in which reading research and reflection can support the development of history teaching and learning in the classroom At the heart of the book is a series of professional enquiries carried out by experienced history teachers working in a range of contexts Each history teacher addresses clear questions arising from their practice and together they illustrate various approaches to data collection data analysis and argument These history teachers also show how they drew on diverse scholarship in history and history education including many publications by other history teachers In eight further chapters other experts ranging from practitioner scholars to researchers in diverse fields such as history history education teacher education teacher research and curriculum theory reflect on the distinctive insights that these teachers offer and explore connections with their own fields The combination of perspectives and the depth of knowledge of the varied contributors reveal the importance of different kinds of relationship between theory and practice The links between classroom realities and research and the critical use of different kinds of text will support history teachers in developing their practice and professional voice Sociology, Curriculum Studies and Professional Knowledge David Guile,David Lambert,Michael J. Reiss,2017-08-07 This volume brings together an international set of contributors in education research policy and practice to respond to the influence the noted academic Professor Michael Young has had on

sociology curriculum studies and professional knowledge over the past fifty years and still has on the field to this day It provides a critical analysis of his work and the uses to which it has been put in the UK and internationally discussing implications for debates on the purpose of education and how school curricula as well as programmes in other educational settings could be run and teaching undertaken based on his contribution Following Michael s long and distinguished career dating back to before Knowledge and Control New Directions for the Sociology of Education which Michael edited in 1971 recent years have seen an upsurge in both academic and policy interest in his work including the new concern he expressed for knowledge in his 2007 book Bringing Knowledge Back In The book concludes with an appreciation and a response to the authors from Michael Young and a Coda from Charmian Cannon who was on the Institute of Education panel that appointed Michael to his post in 1967 This timely book is a unique critique and celebration written by experts whose own careers have been affected by Michael and will appeal to all those with an interest in the work of Michael Young
