## **Office Feng Shui**

Practical Feng Shui for the Office Kathryn Wilking, 2013-05-31 I have met with so many people in the last few years who apologize for their office. Apologize For what Well a lot of them are embarrassed. They don't really like their workspace. The problem is in the flow the routine and the organization of their work. Feng shui can help you with all of these things. A feng shui office will give you a balanced flow of energy so you can accomplish the tasks of the day. The goal is to make your time more productive and more functional. The purpose of this book is to take the mystery out of feng shui and show you how practical it really is. Feng shui can give you guidance to become more aware of your surroundings and to find the proper balance in your life. Using the Five Element Theory Wilking presents a practical view of feng shui concepts and takes you through the steps in setting up your physical workspace from choosing office furniture and decor to desk placement and seating arrangements. She then shows you how by taking a simple Personal Element Profile quiz you can determine your dominant element and the elements of those around you. This will help you understand yourself and others in order to assemble your best team to create a successful organized and productive work environment.
