Oi Get Off Our Train Teaching Resources:

The Really Practical Guide to Primary English Diana Bentley, 1999 This book contains clear chapter objectives suggestions for further reading on each topic and a glossary explaining key terms that the new or trainee teacher will need to understand The authors have all taught English in the primary setting are experienced teacher trainers and respected practitioners in their own specialist fields

Reading Power Adrienne Gear, 2013

English 5-11 David Waugh, Wendy Jolliffe, 2016-06-23 English is central to the primary school curriculum and successfully mastering the basics has a significant influence on pupils ability to learn and achieve their future goals Now fully updated English 5 11 provides comprehensive up to date and creative guidance on teaching English in the primary school Each chapter provides the busy teacher with indispensable advice and guidance as well as opportunities to reflect upon current practice in the classroom Key areas covered include language and literacy development grammar punctuation and spelling talk for learning systematic synthetic phonics fiction poetry and non fiction drama and creativity teaching in a multilingual classroom ICT Planning and assessment This third edition reflects changes in government policy and gives greater attention knowledge about language and is closely related to the changing curriculum for primary English The highly experienced authors are former literacy advisors and have frontline teaching school management and teacher training experience This book will be an invaluable resource for all trainee and practising teachers interested in teaching English in an accessible contemporary and dynamic way

Young Researchers Margaret Mallett, 2002-02-07 Informational kinds of reading are crucial in every lesson This book looks at how we can encourage children from the very beginning to think of themselves as young researchers using skills and strategies for clear purposes It argues that the creative practitioner nurtures children s sense of wonder and curiosity about the world and all its phenomena Packed full of advice on how to use the most stimulating and exciting texts and the liveliest approaches the book celebrates the good practice of teachers and student teachers in a large number of classroom case studies The content includes a summary of the recent developments and a framework of principles to inform good practice in this challenging aspect of literacy chapters concentrating on particular age groups beginning with the nursery and ending with the later primary years and thus taking up an essentially developmental approach an assessment of recent research and how findings can be put to practical and creative use in the classroom A central message is that children benefit from collaborating with teachers and peers at every stage of finding out The spoken language energises informational reading and writing making the sharing of the fruits of children s research highly enjoyable This book will inspire you and lead to the very best practice

English 3-11 David G. Waugh, Wendy Jolliffe, 2008 In line with the National Primary Strategy this core introductory textbook provides comprehensive up to date and most importantly creative guidance on teaching English in the early years and primary classroom Covering all of the key curriculum areas in manageable and accessible chapters the book aims to motivate and support teachers to achieve enjoyment progression breadth and balance in their teaching of effective

and creative English Key topics covered include assessment for learning co operative learning popular culture and multi media By combining both subject knowledge with effective pedagogical approaches to teaching English this book is an essential one stop resource for all busy teachers **Emotional Literacy** Andrew Moffat,2017-07-05 This is an exciting hands on resource comprising over 200 whole class lesson plans These can be used with a class in their very first week at school in Year 1 right through to their last week in Year 6 Each lesson plan focuses on a text provides prompts for discussion and gives clearly explained engaging activities to suit all learning styles The lesson plans are based on 152 popular children s books There are many cross curricular opportunities with specific links to literacy particularly through the drama speaking and listening plans of the Renewed Primary Strategy The scheme also includes Circle Time games specially selected for their positive effect on the emotional well being of the child The author who is an Advanced Skills Teacher spent two years developing the scheme of work Each lesson plan has been tried and tested in many schools and is steeped in excellent primary practice The scheme is designed to support the aims of the Every Child Matters agenda The plans are differentiated by year group and are set out in modules which each last for six weeks making the resource a manageable format for class teachers to use and an ideal solution to the delivery of SEAL Primary Threads of Thinking Cathy Nutbrown,1999-07-23 The focus of Threads of Thinking is on children s patterns of learning and thinking particularly schemas However the book as a whole is much more than that and provides material for reflection by anyone working with and for young children Many of the examples discussed are ones considered in the First Edition but the changes Cathy Nutbrown has made throughout the book bring it right up to date including some speculation on the ideas of a Foundation Stage in England There is much here that is valuable for reading alone but also a lot that could be shared by groups of people including those already working in the field as well as those in training International Journal of Early Years Education The School Librarian ,1992

Science with Reason Sue Atkinson,Marilyn Fleer,1995 *Write Ways* Lesley Wing Jan,1991 Resource book for primary school teachers containing advice on developing extensive language learning programmes Includes activities sample units of work and reference lists **Reading Under Control** Rebecca Bunting, Centre for Language Education and Research,1997 The aim of this text is to help students and teachers create a rich environment for reading and to develop a principled and secure understanding of the processes and practices involved so that they can bring and keep reading under control The book places the teaching of reading in a theoretical political and historical framework and presents coverage of all key issues Readers should be able to recognize evaluate and make considered use of the various beliefs approaches routines resources and assessment procedures that are found in schools Children s books are discussed and current reading schemes are assessed Individual teachers are encouraged to develop their own practice on firm foundations APAIS, Australian Public Affairs Information Service ,1993 *The Junior Bookshelf* ,1990 **Journal of Education** ,1892 The Gramophone Compton Mackenzie,Christopher Stone,1991 **The School Journal** ,1882 Science John Michels (Journalist),1890
