Ojibwe Beading Patterns:

We are at Home Bruce White, Bruce M. White, 2008-02 In this collection of more than 200 stunning and storied photographs ranging from daguerreotypes to studio portraits to snapshots historian Bruce White explores historical images taken of Ojibwe people through 1950 and considers the negotiation that went on between the photographers and the photographed and what power the latter wielded Ultimately this book tells more about the people in the pictures what they were doing on a particular day how they came to be photographed how they made use of costumes and props than about the photographers who documented and in some cases doctored views of Ojibwe life **Wisconsin Magazine of History** Milo Milton Quaife, Joseph Schafer, Edward P.
