### **The Mormon Delusion. Volume 4. The Mormon Missionary Lessons - A Conspiracy to Deceive.** Jim

Whitefield,2011-02-09 The fourth in The Mormon Delusion series tracks the Mormon Missionary Lesson Manual as taught to investigators and lesson by lesson exposes and explains the truth behind the false teachings At every stage unsuspecting investigators are taught a fictional account of Mormon history and teachings by faithful missionaries who themselves have no idea they are teaching provable fiction This book exposes the underlying truth behind Joseph Smith s original fraudulent claims and modern day fictional Mormon teachings Evidence from within Mormon Church history and Mormon so called scripture proves conclusively that the Mormon Church continues in a conspiracy to deceive its own members missionaries and their investigators alike At the end of a journey through this book there will be nothing left for an investigator to take to the Lord in prayer in order to obtain an answer as to whether what the Mormon Church teaches is true Common sense and reason alone will be enough to determine the truth of the matter

#### **LDS Sunday School Old Testament Lesson #1**

Travis Goodsell,2017-12-31 For 2018 The Church of Jesus Christ of Latter Day Saints will be studying the Old Testament in Sunday School With my experience with the Church as a member but also as an LDS Church Service Missionary for the then Curriculum Department working on the English template for the 2009 Foreign language editions of the Scriptures and having studied the Old Testament and its ancient cultures along with the languages of Biblical Hebrew Greek and Egyptian I therefore have a unique perspective on the Old Testament I therefore will present each lesson from the Old Testament

Teacher s Manual providing you with my additional insight starting with this one Lesson 1 *Bruce R. McConkie* Devery S. Anderson,2024-07-08 Although he served as an apostle in the Church of Jesus Christ of Latter day Saints for only twelve and a half years Bruce R McConkie s twenty six years service in the First Council of Seventy had already made him a household name within the church Called to full time church service at age thirty one McConkie quickly gained a reputation as a theologian and doctrinal teacher He became a prolific writer and his controversial book Mormon Doctrine remained a bestseller for decades His writing style dogmatic approach and quickness to reprimand others he believed in error made him many enemies while others endeared themselves to him because of those very traits McConkie the man was far more complex than the serious and focused general authority most church members saw and heard at the pulpit Those who knew him best experienced his profound sense of humor His passion for jogging rock hounding and jewelry making occupied much of his free time Those who witnessed his final address delivered days before his death felt compassion toward him no matter how they had always viewed him as a writer speaker or leader Truly to understand Bruce R McConkie one must look closely at the entire picture

#### **Discovering Lehi: New Evidence of Lehi and Nephi in Arabia**

Lynn M. Hilton,Hope A. Hilton,2023-02-02 This fascinating Mormon odyssey was first commissioned by The Ensign But no mention was ever made in that work of the Lihyan Arabic transliteration for The People of Lehi civilization and the remarkable possibilities found in its Arabian ruins In addition to the Hilton s original research they have discovered volumes of new evidence and new possibilities The findings in this book may just be the sign saying I Lehi was here It is possible that Lehi and Nephi were actually great missionaries that they converted thousands as hinted at in D C 33 8 10 This new evidence suggests that

Arabian converts of Nephi and Levi grew in number and influence and prospered as all civilizations of The Book of Mormon were promised over a period of 1000 years until they actually ruled Arabia for an additional 300 years This work may be the most remarkable evidence currently available that Levi and Nephi actually existed and may be the only research to date to actually pinpoint Book of Mormon locations with any degree of accuracy It is astounding that the city Nephi referred to as Nahum actually exists today as a city of ancient origins It conforms to the Book of Mormon description of the burial place of Ishmael and the point where they changed their direction of travel from south southeast to nearly eastward toward Bountiful Here within our very grasp may be the first physical and historical evidence that Lehi and Nephi lived breathed struggled and taught the gospel as marvelous and influential prophets of The Book of Mormon
