The Tiktok Ads Guide Book Evelyn Mia, 2022-08-26

Video ads are available for TikTok itself or for the TikTok family of news apps. They run as 5-60 second full-screen videos in the user's For You feed. Each ad includes a video, an ad display image, brand or app name, and ad text. The TikTok ads platform makes it worth it to create accessible and great campaigns. Many brands, especially smaller businesses, are not sure that advertising on TikTok is worth it, especially given the time it takes. You can set up a free TikTok Ads account and create In-Feed ads with your own set budget and schedule. Currently, TikTok's minimum campaign budget is 500 and the minimum ad group budget is 50. Using hashtags can help you grow your TikTok followers for free, especially if you use trending hashtags, branded hashtags, and industry-related hashtags. In the TikTok Ads dashboard, click the Campaign tab at the top of the page and then click the Create button. Next, choose a campaign objective, which is the primary goal of your ad. As of this writing, you can choose from three options: Traffic, Conversions, and App Install.
