Electronic Media Norman J. Medoff, Barbara K. Kaye, 2016-12-01 *Electronic Media Then Now and Later* provides a synopsis of the beginnings of electronic media in broadcasting and the subsequent advancements into digital media. The Then Now and Later approach focuses on how past innovations laid the groundwork for changing trends in technology, providing the opportunity and demand for evolution in both broadcasting and digital media. An updated companion website provides links to additional resources, chapter summaries, study guides, and practice quizzes, instructor materials, and more. This new edition features two new chapters: one on social media and one on choosing your entertainment and information experience. The then now later thematic structure of the book helps instructors draw parallels and contrasts between media history and current events, which helps get students more engaged with the material. The book is known for its clear, concise, readable, and engaging writing style, which students and instructors alike appreciate. The companion website is updated and offers materials for instructors, including IM PowerPoint slides and a test bank.

The Online Journalism Handbook Paul Bradshaw, 2023-07-28 *The Online Journalism Handbook* offers a comprehensive guide to the ever-evolving world of digital journalism, showcasing the multiple possibilities in researching, writing, and storytelling provided by new technologies. In this new edition, Paul Bradshaw presents an engaging mix of technological expertise with real-world practical guidance to illustrate how those training and working as journalists can improve the development, presentation, and global reach of their stories through web-based technologies. Thoroughly revised and updated, this third edition features a new chapter dedicated to writing for email and chat, with updated case studies. New sections cover online abuse, news avoidance, and trust. Updated coverage of accessibility, inclusivity, and diversity in sourcing, writing for social media, and audio and video. New formats including social audio, audiograms, Twitter threads, the Stories format, charticles, and scrollytelling. Expanded international examples throughout. *The Online Journalism Handbook* is an essential guide for all journalism students and professional journalists and will also be of interest to digital media practitioners. The companion website for this book further enhances student knowledge through regularly updated case studies, real-time development reports, and in-depth discussion pieces from cutting-edge sources.

Data Science on AWS Chris Fregly, Antje Barth, 2021-04-07 With this practical book, AI and machine learning practitioners will learn how to successfully build and deploy data science projects on Amazon Web Services. The Amazon AI and machine learning stack unifies data science, data engineering, and application development to help level up your skills.
