Celebrating Ourselves Daryl Russell Grigsby, 2010-11 Celebrating Ourselves demonstrates how baseball is intricately woven in the fabric of African American family social and political life Beyond the significant accomplishments on the diamond well recounted here baseball knitted generations taught perseverance demonstrated economic independence and been a forum for civil rights and equality From Moses Fleetwood Walker in 1884 to the founding of the Negro National League in 1920 from Jackie Robinson in 1947 to today's Reviving Baseball in the Inner Cities RBI the game is connected with personal achievement community advancement economic independence and social equality This book discusses baseball from three perspectives from the player the fan and the family Alongside statistics and accomplishments on the field we read of the perseverance and dedication of the African American baseball fan Much has been made of the decline in baseball's popularity among black Americans When observers ask Where is the African American fan this book boldly responds Right here Going, Going ...
