his glories and setbacks in a Wizards season chock full of both struggles and surprises Krugel also details the star laden
workouts Michael designed in the summer of 2001 to get his game back into shape This look at Michael Jordan circa 2001
2002 shows how much basketball had changed since his last coming and how much it hadn t and how his drive pushed him to
the verge of a crippling knee injury all in the pursuit of winning And for six weeks he did make it back He made the shots He
made good on his mission to try to teach the Wizards how to be winners to teach talented teammate Richard Hamilton to be a
shooting star and to whip Kwame Brown the high school kid he made the first ever first pick in the NBA draft into a man And
he did the things that only a man of legend could do Krugel analyzes both the man and the legend to trace how the First
Coming led to a Second and to a Third and he chronicles the season that defines Michael Jordan as a man who will forever be
