**Britannica Book of the Year** ,2013 **Woo, Wow, and Win** Thomas A. Stewart,Patricia O'Connell,2016-11-29 In this pioneering guide two business authorities introduce the new discipline of Service Design and reveal why trying new strategies for pleasing customers isn t enough to differentiate your business it needs to be designed for service from the ground up Woo Wow and Win reveals the importance of designing your company around service and offers clear practical strategies based on the idea that the design of services is markedly different than manufacturing Bestselling authors and business experts Thomas A Stewart and Patricia O Connell contend that most companies both digital and brick and mortar B2B or B2C are not designed for service to provide an experience that matches a customer s expectations with every interaction and serves the company s needs When customers have more choices than ever before study after study reveals that it s the experience that makes the difference To provide great experiences that keep customers coming back businesses must design their services with as much care as their products Service Design is proactive it is about delivering on your

promise to customers in accordance with your strategy not about acceding to customer dictates Woo Wow and Win teaches you how to create Ahhh moments when the customer makes a positive judgment and to avoid Ow moments when you lose a sale or worse customer trust Whether you re giving a haircut selling life insurance or managing an office building your customer is as much a part of your business as your employees are Together you and customers create a bank of trust fueled by knowledge of each other s skills and preferences This is Customer Capital the authors explain and it is jointly owned But it s up to you to manage it profitably Innovative yet grounded in real world examples Woo Wow and Win is the key strategy for winning customers and keeping them

### **Killing Marketing: How Innovative Businesses Are Turning Marketing Cost**

**Into Profit** Joe Pulizzi,Robert Rose,2017-09-08 Killing your current marketing structure may be the only way to save it Two of the world s top marketing experts reveal the next level of breakthrough success transforming your marketing strategy into a standalone profit center What if everything we currently know about marketing is what is holding us back Over the last two decades we ve watched the entire world change the way it buys and stays loyal to brands But marketing departments are still operating in the same campaign centric product led operation that they have been following for 75 years The most innovative companies around the world have achieved remarkable marketing results by fundamentally changing their approach By creating value for customers through the use of owned media and the savvy use of content these businesses have dramatically increased customer loyalty and revenue Some of them have even taken it to the next step and developed a marketing function that actually pays for itself Killing Marketing explores how these companies are ending the marketing as we know it in favor of this new exciting model Killing Marketing provides the insight approaches and examples you need to understand these disruptive forces in ways that turn your marketing from cost center to revenue creator This book builds the case for literally transforming the purpose of marketing within your organization Joe Pulizzi and Robert Rose of the Content Marketing Institute show how leading companies are able sell the very content that propels their marketing strategy You ll learn how to Transform all or part of your marketing operation into a media company Integrate this new operation into traditional marketing efforts Develop best practices for attracting and retaining audiences Build a strategy for competing against traditional media companies Create a paid earned media strategy fueled by an owned media strategy Red Bull Johnson Johnson Disney and Arrow Electronics have succeeded in what ten years ago would have been deemed impossible They continue to market their products as they always have and through their content driven and audience building initiatives they drive value outside the day to day products they sell and monetize it directly Killing Marketing rewrites the rules of marketing enabling you to make the kind of transition that turns average companies into industry legends
