**Musical Comedy of the 1920s** Dominic Combe, 2015     A Time to Laugh Donald Capps, 2006-03-17 Shows the ways in which humour can be recovered for religion This book argues that religion is diminished when it fails to understand and embrace its own historical connection Its chapters deal with topics ranging from humour as an expression of intimacy to humour as the maintenance of the soul     *The Sheet Music Exchange*, 1988     The Urian Anthology, 1970-1979 Nicanor G. Tiongson, 1983     **Cumulated Dramatic Index, 1909-1949** Frederick Winthrop Faxon, 1965     'Twas Only an Irishman's Dream W. H. A. Williams, 1996 The image of the Irish in the United States changed drastically over time from that of hard drinking rioting Paddies to genial patriotic working class citizens In Twas Only an Irishman's Dream William H A Williams traces the change in this image through more than 700 pieces of sheet music popular songs from the stage and for the parlor to show how Americans opinions of Ireland and the Irish went practically from one extreme to the other Because sheet music was a commercial item it had to be acceptable to the broadest possible song buying public Negotiations about their image involved Irish songwriters performers and pressured groups on the one hand and non Irish writers publishers and audiences on the other Williams ties the contents of song lyrics to the history of the Irish diaspora suggesting how ethnic stereotypes are created and how they evolve within commercial popular culture     **Skyarks and Rebels** Rita Laima, 2017-04-25 *Skyarks and Rebels* is a story about the fate of Latvia in the 20th century as told by Rita Laima Laima a Latvian American chose to leave behind the comforts of life in America to explore the land of her ancestors which in the 1980s languished behind the Iron Curtain In writing about her own experiences in a totalitarian state Soviet occupied Latvia Laima delves into her family's past to understand what happened to her fatherland and its people during and after World War II She also pays tribute to some of Latvia's remarkable people of integrity who risked their lives to oppose the brutal and destructive Soviet state     *Dictionary Catalog of the Music Collection* New York Public Library. within the notation These melodies constitute an authentic audio window to a past century when the five string banjo was a classical instrument studied and played by serious students and expert musicians who read standard notation rather than tablature In any case here they are in notation and modern banjo tablature together with a delightful online recording
