My Bittersweet Summer

John Young Cole

My Bittersweet Summer:

My Bittersweet Summer Starla Huchton, 2015 Margaret Walsh worked for six years to overcome the trauma she endured at the hands of bullies as a kid and graduation promises the chance to start over in college and leave the past behind her for good. What was supposed to be her last summer of fun before moving to Paris turns into a nightmare as her parents announce they're taking over management of a restaurant in the New England beach town where she spent her childhood. For them it's an amazing possibility. For her it means confronting memories and people she'd rather forget. Margie's all grown up now but some things never change. When Zach Robinson insists he's not the bully she remembers, it's all she can do not to laugh. Still, if she's learned anything over years it's that everyone deserves an opportunity to be better. Even lost causes need second chances, but with her heart on the line asking her to bet on a long shot might take more faith than she's willing to give. Christmas at the Highland Flower Shop Lucy Coleman, 2022-09-20 The perfect Christmas romantic comedy. Had me hooked right from the start. The perfect feel good story to read this holiday season. If you love sweet wholesome romance filled with tons of Christmas cheer, this is the book for you. NetGalley review 5 stars. A sparkling Christmas romance from bestselling author Lucy Coleman to curl up with in front of the fire this holiday season. Four months. One impossible task. It's time to save Christmas at The Highland Flower Shop. Bella Reed has worked at The Highland Flower Shop ever since she left college and now her Aunt Jane has handed the keys and the lease over to her. With the business under her reign, Bella is ready to hit the ground running until she's dealt a massive blow. They're being evicted. When dashing businessman Maverick McIntyre turns up in Fort William, Bella discovers the reason they're being kicked out. He has no intention of honouring a ridiculous deal his father made many years ago. As Maverick and Bella lock horns, they both begin to see different sides to one another and before long the two strike up the most unexpected of friendships. Bella knows she has to keep business separate but when her head and her heart are saying two different things, life starts to get complicated. No matter her feelings, Bella isn't about to let anyone down and the entire town's counting on her to save Christmas. Readers are falling in love with *Christmas at the Highland Flower Shop*. A magical Christmas story that I couldn't stop reading. I loved the Christmas sleigh ride. Worth more than five stars and one to recommend to family and friends. NetGalley review 5 stars. Absolutely delightful. Charming and witty. I highly recommend this fun and quick holiday read. NetGalley review 5 stars. [ALL CAPS](#) Craig Colby, In March 2020 during the great COVID 19 lockdown, television producer Craig Colby's work disappeared. He marked the time by wearing a different baseball hat every day, posting a picture with a story about each one on social media. A community of friends started sharing their hats and stories too. After 125 days, Craig ran out of hats but gained new insight into what each cap told him about his own life. In isolation, Craig experienced triumph and heartbreak, love and loss. He was meeting his childhood sports heroes and floating weightless with an astronaut. The stories in [ALL CAPS](#) weave a tapestry of human
