5 Tips for NREMT Success

- Study as participants in class. Share what you learn.
- Sleep a clear head. Get a good night's sleep. Don't try a knee-thump or anything in the parking lot before going to class, and relax.
- Study the right stuff. The NEEDT uses application questions, and simple knowledge (which is what most people study).
- Don't rush. Take your time. There is enough time for each question.
- Shake it off. Don't have emotional reactions over difficult questions. You will get some wrong. When you get tough questions, don't let it shake your confidence.

Business is not a game, and it's not a hobby. It's a way of life. It's a way of thinking, a way of acting, a way of being. It's a way of making the most of what you have, and of making the most of what you can get. It's a way of making the most of what you can get, and of making the most of what you have.
