[Take Courage](#) Timothy J. Pauls, Mark A. Pierson, Timothy J. Pauls, 2021-03-23 *Take Courage* is a collection of essays written by pastors and professors about the care and cure of souls in the 21st century. As spiritual physicians, pastors are called to diagnose and treat all those suffering with the disease of sin. This noble task requires much from these undershepherds who are placed over Christ's flock. Yet the Good Shepherd himself has provided the effective tools of this healing art: the life giving word and sacraments. Pastors then specialize in applying the medicine of forgiveness and bringing comfort to broken consciences. Collectively these essays teach and expound upon this theme. This helpful book honors the 45 years of faithful service given by one such undershepherd, Harold L. Senkbeil. As a pastor, seminary professor, author, speaker,

husband father and the executive director of DOXOLOGY Senkbeil has consistently provided competent treatment for both laity and pastors by distributing the forgiveness won by Jesus on the cross [How to Pay Zero Taxes 2015: Your Guide to Every Tax Break the IRS Allows](#) Jeff A.
