Conant, 1883      *The Sleeping Bard* Ellis Wynne, 2019-01-09 The Bardd Cwsc is not only the most popular of Welsh prose works but it has also retained its place among the best of our classics No better model exists of the pure idiomatic Welsh of the last century before writers became influenced by English style and method Vigorous fluent crisp and clear it shows how well our language is adapted to description and narration It is written for the people and in the picturesque and poetic strain which is always certain to fascinate the Celtic mind The introduction to each Vision is evidently written with elaborate care and exquisitely polished ne quid possit per leve morari and scene follows scene painted in words which present them most vividly before one s eyes whilst the force and liveliness of his diction sustain unflagging

interest throughout The reader is carried onward as much by the rhythmic flow of language and the perfect balance of sentences as by the vivacity of the narrative and by the reality with which Ellis Wynne invests his adventures and the characters he depicts     **The Saturday Review of Politics, Literature, Science and Art** ,1893     **The Holy Bible**
