**Ghost Work** Mary L. Gray, Siddharth Suri, 2019 A startling exposé of the invisible human workforce that powers the web and how to bring it out of the shadows Hidden beneath the surface of the internet a new stark reality is looming one that cuts to the very heart of our endless debates about the impact of AI Anthropologist Mary L Gray and computer scientist Siddharth Suri unveil how the services we use from companies like Amazon Google Microsoft and Uber can only function smoothly thanks to the judgment and experience of a vast human labor force that is kept deliberately concealed The people who do

ghost work make the internet seem smart They perform high tech on demand piecework flagging X rated content proofreading transcribing audio confirming identities captioning video and much more The shameful truth is that no labor laws protect them or even acknowledge their existence They often earn less than legal minimums for traditional work they have no health benefits and they can be fired at any time for any reason or for no reason at all An estimated 8 percent of Americans have worked in this ghost economy and that number is growing every day In this unprecedented investigation Gray and Suri make the case that robots will never completely eliminate ghost work and the unchecked quest for artificial intelligence could spark catastrophic work conditions if not stopped in its tracks Ultimately they show how this essential type of work can create opportunity rather than misery for those who do it

Dust jacket [Trampled by Unicorns](#) Maelle Gavet, 2020-10-06 A Wall Street Journal Bestseller An insider's revealing and in depth examination of Big Tech's failure to keep its foundational promises and the steps the industry can take to course correct in order to make a positive impact on the world

[Trampled by Unicorns](#) Big Tech's Empathy Problem and How to Fix It explores how technology has progressed humanity's most noble pursuits while also grappling with the origins of the industry's destructive empathy deficit and the practical measures Big Tech can take to self regulate and make it right again Author Maelle Gavet examines the tendency for many of Big Tech's stars to stray from their user first ideals and make products that actually profoundly damage their customers and ultimately society Offering an account of the world of tech startups in the United States and Europe from Amazon Google and Facebook to Twitter Airbnb and Uber to name a few [Trampled by Unicorns](#) argues that the causes and consequences of Big Tech's failures originate from four main sources the Valley's cultural insularity the hyper growth business model the sector's stunning lack of diversity and a dangerous self sustaining ecosystem However the book is not just an account of how an industry came off the rails but also a passionate call to action on how to get it back on track Gavet a leading technology executive and former CEO of Ozon an executive vice president at Priceline Group and chief operating officer of Compass formulates a clear call to action for industry leaders board members employees and consumers users to drive the change necessary to create better more sustainable businesses and the steps Western governments are likely to take should tech leaders fail to do so Steps that include reformed tax codes reclassification of platforms as information companies new labor laws and algorithmic transparency and oversight

[Trampled by Unicorns](#) exploration of the promise and dangers of technology is perfect for anyone with an interest in entrepreneurship tech and global commerce and a hope of technology's all empowering prospect An illuminating book full of insights [Trampled by Unicorns](#) describes a realistic path forward even as it uncovers and explains the errors of the past As Gavet puts it we don't need less tech we need more empathetic tech And how that crucial distinction can be achieved by the tech companies themselves driving change as governments actively pave the road ahead

*The Lonely Hunter* Aimée Lutkin, 2022-02-03 A COSMOPOLITAN BEST NON FICTION BOOK OF 2022  
 More people are single today than ever before  
 Yet in a world where romantic love still reigns the stories we tell ourselves haven't kept up  
 The Lonely Hunter explores the rise of singledom the realities of loneliness and whether it is possible to live contentedly alone  
 So what's going on in your love life  
 An innocent question at a dinner party prompted Aimée Lutkin to finally tell the truth it was six years since her last relationship and she suspected it would be better to accept the life she had a life she liked very much rather than keep searching  
 But Lutkin's answer was met with uproar surely she couldn't give up on love  
 So she threw herself into dating going on two dates every week  
 Documenting her experiences Lutkin explores the reality of sexual relationships today and reveals how the cultural messages we receive shape our expectations of love  
 From weird Tinder hookups to the way the self care industry capitalises on our fear of being alone to the complexities of queer dating and the truth about the loneliness epidemic she uses her experiences to fearlessly tell a wider story about how we love now

**Dying for a Paycheck** Jeffrey Pfeffer, 2018-03-20  
 In one survey 61 percent of employees said that workplace stress had made them sick and 7 percent said they had actually been hospitalized  
 Job stress costs US employers more than 300 billion annually and may cause 120 000 excess deaths each year  
 In China 1 million people a year may be dying from overwork  
 People are literally dying for a paycheck  
 And it needs to stop  
 In this timely provocative book Jeffrey Pfeffer contends that many modern management commonalities such as long work hours work family conflict and economic insecurity are toxic to employees hurting engagement increasing turnover and destroying people's physical and emotional health and also inimical to company performance  
 He argues that human sustainability should be as important as environmental stewardship  
 You don't have to do a physically dangerous job to confront a health destroying possibly life

threatening workplace Just ask the manager in a senior finance role whose immense workload once handled by several employees required frequent all nighters leading to alcohol and drug addiction Or the dedicated news media producer whose commitment to getting the story resulted in a sixty pound weight gain thanks to having no down time to eat properly or exercise Or the marketing professional prescribed antidepressants a week after joining her employer In *Dying for a Paycheck* Jeffrey Pfeffer marshals a vast trove of evidence and numerous examples from all over the world to expose the infuriating truth about modern work life even as organizations allow management practices that literally sicken and kill their employees those policies do not enhance productivity or the bottom line thereby creating a lose lose situation Exploring a range of important topics including layoffs health insurance work family conflict work hours job autonomy and why people remain in toxic environments Pfeffer offers guidance and practical solutions all of us employees employers and the government can use to enhance workplace wellbeing We must wake up to the dangers and enormous costs of today's workplace Pfeffer argues *Dying for a Paycheck* is a clarion call for a social movement focused on human sustainability Pfeffer makes clear that the environment we work in is just as important as the one we live in and with this urgent book he opens our eyes and shows how we can make our workplaces healthier and better
