Multiple Genres Multiple Voices Teaching Argument In Composition And Literature Crosscurrents:

Multiple Genres, Multiple Voices Cheryl L. Johnson, Jayne Moneysmith, 2005 Explores the many perspectives of an argument by using multiple genres written from different points of view [The Profession of English in the Two-year College](#) Mark Reynolds, 2005 The 1960s a time of protests and civil rights marches sit ins and speak outs free love rallies and anti establishment Yip ins Yet going largely unnoticed was another powerful revolution the explosive growth of the two year college In The Profession of English in the Two Year College those on the front lines of this movement record how they successfully taught a new kind of student in a re imagined postsecondary institution Those students lived at home worked to make ends meet and were the first in their families to attend college They were Vietnam veterans adults years distant from high school fulltime workers and struggling immigrants To teach them faculty invented new curricula novel instructional methods and innovative teaching materials and in doing so also invented a blueprint for successful two year college English teaching The Profession of English in the Two Year College features essays by major figures including Mark Reynolds Elizabeth Nist Marilyn Smith Layton and William Costanzo concluding with a selective bibliography by Howard Tinberg

Featuring essays about curricular innovation ESL the value of professional conferences and the crucial role that two year colleges have played in technological innovation this volume shines a bright light on an institution that has become a mainstay of American higher education [The Matthean Parables](#) Ivor H. Jones, 2014-04-09 The Matthean Parables offers a fresh approach to the origin of Matthew's Gospel It builds on current historical literary rhetorical and sociological studies of Matthew's Gospel to show how the Matthean parables illuminate the structure purpose and theology of that gospel The first part of the book establishes the need for a new attempt to define the genre of Matthew's Gospel examines what is meant by a parable and summarises the contribution made by the parables to that new attempt The second part is a thorough exegetical historical critical and literary study of all the Matthean parables in the context of the whole gospel and in the light of all the Matthean figurative material An appendix illustrates the use of syntactical material in defining the character and style of a biblical text [Books and Bookmen](#), 1958 [Leonardo](#), 1991 International journal of contemporary visual artists
