

What happens to the speaker? Why?	What is the lesson?	What is the message?
<p>Should I compare thee to a summer's day?    Thou art more lovely and more temperate:    Rough winds do shake the darling buds of May,    And sunbeams their leaves burn all too short in late    Summers the best the eye of man hath.    And often is his gold complexion dimmed,    And every fair from fair some time declines,    By chance or nature's changing course untermmed:    What stays man's beauty shall not fade,    His base possession of that fair that overcometh,    His shall death bring; there needeth not to be shamed,    When in eternal lines to time those gone,    So long as men can breathe or eyes can see,    So long lives this, and this gives life to thee.</p>	<p>Comparison to summer</p> <p>lesson is time</p> <p>dimmed = How bad thy beauty</p> <p>in fair when in the underworld</p>	

**Questions:** Answer the following questions after reading the sonnet.

1. First, identify the imagery, either way off the speaker. What happens to the speaker in the 1<sup>st</sup> stanza? Use Ray's own adaptation of the original text in the right column.
2. What is the problem that is posed in the first quatrain? What attitude towards does Shakespeare have?
3. How is the problem addressed in the second quatrain? What is problematic about human?
4. What is the truth? What does the speaker propose is the solution to the problem in the third quatrain?
5. What general feelings does Shakespeare employ? How? Please just the last
6. What themes does Shakespeare employ?

## **Multiple Choice Study Guide Tempest Shakespeare:**

Shakespeare Without Fear Mary Janell Metzger,2004 As a high school and college student Mary Janell Metzger sat through old school lectures that swamped Shakespeare in literary tradition and form leaving no breathing room for individual interpretation As a teacher she yearned to connect students to Shakespeare s plays and in Shakespeare Without Fear she tells you how she finally removed the barrier between text and inquiry by focusing on the rich interactive possibilities between student teacher and bard Shakespeare Without Fear offers methods that will get students emotionally and imaginatively involved with the plays while developing their capacity for critical judgment Ideal for the experienced teacher as well as for the English Education methods course Shakespeare Without Fear first debunks the idolatry and polarizing academic politics surrounding the study of Shakespeare and then allays reader anxieties by setting up the plays as engaging historical works instead of items to check off a cultural literacy list Next Metzger takes you into real classrooms for a complete look at how she and other educators teach several major works including Romeo and Juliet and Hamlet offering both a framework for teaching any Shakespearean drama and play specific essential questions for teaching ten of his other most popular plays Covering topics like teaching to standards the challenges nonnative speakers face reading Shakespeare and formatting lessons for AP instruction Shakespeare Without Fear will help you create conditions where Shakespeare explodes off the page and into the imaginations of your students Getting College Course Credits by Examination to Save \$\$\$ Gene R.
