## **Mustang Genesis The Creation Of The Pony Car:**

Mustang Genesis Robert A. Fria, 2010 This work describes how Lee Iacocca and the Fairlane Committee conceptualized and created the new breed of four seat sporty pony cars which satisfied pent up demand and filled a void in the market more than one million Mustangs were built during the first two years of production Provided by publisher **Selling the American Muscle Car** Diego Rosenberg, 2016-10-14 As the muscle car wars developed in the early 1960s auto manufacturers scrambled to find catchy marketing campaigns to entice the buying public into their dealerships General Motors Ford and Chrysler with all their divisions as well as AMC and Studebaker inevitably sank billions of dollars into one upmanship in an effort to vie for the consumer's last dollar Automotive writer Diego Rosenberg examines the tactics and components used by manufacturers in waging war against one another in the muscle car era Manufacturers poured millions into racing programs operating under the principle of Win on Sunday Sell on Monday Cars were given catchy nicknames such as The GTO Judge Plymouth Roadrunner Cobra and Dodge Super Bee Entire manufacturer lines were given catchy marketing campaigns such as Dodge's Scat Pack AMC's Go Package and Ford's Total Performance From racing to commercials to print ads from dealer showrooms to national auto shows each manufacturer had its own approach in vying for the buyer's attention and gimmicks and tactics ranged from comical to dead serious Selling the American Muscle Car Marketing Detroit Iron in the 60s and 70s takes you back to an era when options were plentiful and performance was cheap You will relive or be introduced to some of the cleverest marketing campaigns created during a time when America was changing every day Collecting Muscle Car Model Kits Tim Boyd, 2018-05-15 In the 1960s model kit building was a huge hobby Kids built plastic kits of planes tanks race cars space ships creatures from scary movies you name it Before baseball card collecting Pok mon and video games model kit building was one of the most popular hobby activities Car and airplane kits were the most popular and among the car kits muscle cars as we know them today were one of the most popular categories Many owners of real muscle cars today were not old enough to buy them when the cars were new of course Yet kids of the 1960s and 1970s worshiped these cars to an extent completely foreign to kids today If you couldn't afford or were too young to buy a muscle car back then what could you do For many the next best thing was to buy collect and build muscle car kits from a variety of kit companies Hundreds were made Many of these kits have become collectible today especially in original unassembled form Although people still build kits today there is a broad market for collectors of nostalgic model kits People love the kits for the great box art to rekindle fond memories of building them 40 years ago or even as a companion to the full scale cars they own today Here world leading authority Tim Boyd takes you through the entire era of muscle car kits covering the options collectability variety availability and value of these wonderful kits today Boyd also takes you through the differences between the original kits the older reproduction kits and the new reproduction kits that many people find at swap meets today If you are looking to build a collection of muscle car kits interested in getting the kits of your favorite

manufacturer or even just of the cars you have owned this book will be a valuable resource in your model kit search

*Women Behind the Wheel* Nancy A. Nichols,2024-03-05 From the adolescent thrill of getting a driver s license to the dreaded commutes of adulthood from vintage muscle cars to electric vehicles this groundbreaking book reveals the outsized impact the car has had and will continue to have on the lives of women Since their inception cars have defined American culture but until quite recently car histories were largely written by and about men with little attention given to the fascinating story of women and cars In this engaging non fiction narrative Nancy A Nichols the daughter of a used car salesman uses the cars her father sold and the ones her family drove to tell a larger story about how the car helped to define modern womanhood From her sister s classic Mustang to her mother s Chevy Convertible to her own Honda minivan Nichols tells a personal story in order to shed light on a universal one Cars helped women secure the right to vote changed the nature of romance and influenced both fashion and child rearing customs In the just over 100 years since their inception cars have created possibilities for commerce and romance even as they exposed women to new kinds of danger *Women Behind the Wheel* explores the uniquely gendered landscape of the automobile detailing the many reasons why cars are both more expensive and more dangerous for women drivers The automobile is on the cusp of momentous change As we advance into the era of electric connected and autonomous vehicles Nichols shows us why we should hit the brakes and look back in the rear view mirror at this long and fascinating history What is the role of the car in our lives Should we be more skeptical of technology in our society In *Women Behind the Wheel* Nichols argues convincingly that only by understanding the many ways the car has changed us can we hope to prepare ourselves for this brave new era **Ford Mustang** Donald Farr,2017-02-06
