Applied Valuation Clifford S. Ang, 2023-01-30 Valuation is part art and part science While there are wrong ways to value a stock there may be no single correct way to value a stock Applied Valuation A Pragmatic Approach helps to bridge theory and how valuations can be implemented in practice It offers pragmatic solutions that are in line with valuation principles and explains the implications of certain approaches and rules of thumb that are commonly used in practice so the reader understands why or when such methods make sense Valuation is a highly case specific exercise and slight changes in the conditions at the time of the valuation could change the approach and inputs that an analyst should be using This book discusses how to develop the intuition and skills that would allow you to determine the appropriate or reasonable approach to take regardless of what situation may arise in the future Also including in depth case studies of Walmart and Tesla this book examines concepts like projections discount rates terminal value and relative valuation to equip students practitioners and the general reader with a better understanding of the methods that will help them build their own framework to value businesses and analyze valuation issues

The State of American Hot Rodding David Lawrence Miller, 2018-04-17 As the automotive world looks towards a future of electric vehicles driverless technology and anonymous styling what can be learned from the individuals who resist these trends and cling to their love of street rods and muscle cars The hot rodding world still exists but will it continue to hold a place in tomorrow's automotive culture Gearhead and geographer David Miller has crisscrossed America in his custom built 1958 Chevy Apache pickup interviewing hot rodders about what drives their passions values and way of life Their collected stories present a detailed portrait of modern hot rodding a distinctly American subculture that survives by bucking the trends and attitudes that increasingly shape the transportation landscape
