Mood Machine Liz Pelly,2025-03-13 Passionate and rigorous riveting Financial Times a cool headed but powerful polemic Sunday Times An unsparing investigation into Spotify s origins and influence on music weaving unprecedented reporting with incisive cultural criticism illuminating how streaming is reshaping music for listeners and artists alike Drawing on over a hundred interviews with industry insiders former Spotify employees and musicians Mood Machine takes us to the inner workings of today s

highly consolidated record business showing what has changed as music has become increasingly playlisted personalized and autoplayed Building on her years of wide ranging reporting on streaming music journalist Liz Pelly details the consequences of the Spotify model by examining both sides of what the company calls its two sided marketplace the listeners who pay with their dollars and data and the musicians who provide the material powering it all The music business is notoriously opaque but here Pelly lifts the veil on major stories like streaming services filling popular playlists with low cost stock music and the rise of new payola like practices For all of the inequities exacerbated by streaming Pelly also finds hope in chronicling the artist led fight for better models pointing toward what must be done collectively to revalue music and create sustainable systems A timely exploration of a company that has become synonymous with music Mood Machine will change the way you think about and listen to music [Authority Facebook Live](#) Bill Price,2016-05-16 The biggest social media platform is none other than Facebook Each day there s 1 09 billion active users on Facebook As a business you should be hanging out where your crowd is With almost everyone on Facebook it only makes sense to be in front of where your audience is However you can just post anything You need to post engaging valuable content How do you do that By using Facebook s Live feature Why Should You Use Facebook Live As a digital marketer it s your job to stay one step ahead and to be on the forefront of emerging technologies Every new type of content or piece of hardware creates new opportunities to find an audience and engage with them in a way that s fresh exciting and impactful Each time a new form of media comes along and creates a new paradigm shift new stars are born And right now the latest and most exciting platform of this nature is live video Live video lets you engage with your audience like never before and communicate with them directly even responding to comments This is the closest you can come to visiting your audience in person and the impact this can have is gigantic Now Facebook is getting involved with Facebook Live and most likely it s this platform that is going to ensure the format really takes off Even Mark Zuckerberg is Obsessed With Live Video Mark Zuckerberg has already stated that he is obsessed with live video and is putting all his energy behind making it a success Facebook s algorithm even favors live content to the extent that it is much more likely to be found than regular photos or videos This is your opportunity A new demand for live content is springing up and right now there is not the supply to meet it If you can get in there and make a splash then you can gain access to a huge new audience and build a relationship with them in a much more intimate and engaged manner And when live video becomes widespread throughout the world you ll already have a foothold in the market So how can you get started with Facebook Live I ve written a guide on this exact subject so you can finally reap the benefits Allow me to introduce you to Facebook Live Authority How To Use Facebook Live To Engage With Your Audience Build Your Brand And Sell More of Your Products
