

on sale

The image is a collage of three smartphones. The central phone displays the word 'on sale' in large, white, sans-serif letters. The 'o' and 'n' are on the left screen, and the 's', 'a', and 'l' are on the right screen. The background of the phone's display is a vibrant, abstract gradient of blue, green, and yellow. The left phone shows a portion of a game with a colorful, cartoonish character. The right phone shows a blurred screen with various app icons. The phones are set against a background of colorful, overlapping fabrics in shades of pink, purple, and blue.

Leadership Lessons: Warren Buffett, Walt Disney, Thomas Edison, Katharine Graham, Steve Jobs, and Ray Kroc Will Peters, 2017-03-23 Great leaders have a great deal to teach those of us who aspire to leadership But their lessons are as diverse and sometimes contradictory as the leaders themselves we have to pick and choose among them matching our own talents temperament and shortcomings with those of the models we aim to copy Here are studies of six business titans of the recent past who offer a wide range of precepts for leadership Warren Buffett the most successful investor in history who combines vast wealth with honesty unfeigned modesty and self deprecating wit Walt Disney the great entertainer who promoted family values but was also a tyrannical micro manager Thomas Alva Edison the world s most prolific inventor who gave us the phonograph the incandescent light the electric generator and motion pictures Katharine Graham who earned world fame as the courageous publisher whose Washington Post led the fight to uncover the Watergate scandal that drove Richard Nixon from the White House Steve Jobs the Apple co founder and genius who dazzled the world with the revolutionary iMac iPod iPhone and iPad and Ray Kroc the late blooming entrepreneur who built McDonald s into the world s biggest fast food restaurant chain No reader will follow all of their precepts but all six offer vital lessons for anyone who wants to be a leader *Where Did My Life Go? Homeless and Out of Business* K.D. Sanders, 2015-10-31 Where Did My Life Go Homeless and Out of Business is by far one of the most raw powerful and engaging reads that I ve come across in a long long time Author K D Sanders offers readers a very personal and unaltered look into his life thoughts and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives I say this and the book may seem quite gloomy at first but I also would say there s another side to it I interpret the book as having a sort of theme about personal redemption and keeping headstrong even through all the bad things that life can throw at you The author manages to keep his spirits high even while dealing with unfortunate circumstances and for that I admire his courage As well as this the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author s opinion on homeless life in general that I found to be very thought provoking and even sobering at times Overall I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I ve been coming across these days Definitely worth checking out Amazon Review Brandweek , 2011
