Moral Reasoning At Work Rethinking Ethics In Organizations:

Moral Reasoning at Work Øyvind Kvalnes, 2019-04-10 This book is open access under a CC BY license Moral dilemmas are a pervasive feature of working life Moral Reasoning at Work offers a fresh perspective on how to live with them using ethics and moral psychology research It argues that decision makers must go beyond compliance and traditional approaches to ethics to prepare for moral dilemmas The second edition has been updated with a range of examples from the author's more recent research to reflect current issues affecting organizations in the digital age With two new chapters on artificial intelligence and social media this new edition provides an up to date overview of ethical challenges in organizations

Moral Reasoning at Work Ø. Kvalnes, 2014-01-14 This book is open access under CC BY license Moral dilemmas are a pervasive feature of working life Moral Reasoning at Work offers a fresh perspective on how to live with them using ethics and moral psychology research It argues that decision makers must go beyond compliance and traditional approaches to ethics to prepare for moral dilemmas *Moral Reasoning at Work* O Kvalnes, 2017-03-24 [Moral Reasoning at Work](#)

Øyvind Kvalnes, 2020-10-09 This book is open access under a CC BY license Moral dilemmas are a pervasive feature of working life Moral Reasoning at Work offers a fresh perspective on how to live with them using ethics and moral psychology research It argues that decision makers must go beyond compliance and traditional approaches to ethics to prepare for moral dilemmas The second edition has been updated with a range of examples from the author's more recent research to reflect current issues affecting organizations in the digital age With two new chapters on artificial intelligence and social media this new edition provides an up to date overview of ethical challenges in organizations This work was published by Saint Philip Street Press pursuant to a Creative Commons license permitting commercial use All rights not granted by the work's license are retained by the author or authors

The Ethically Responsible Organization Ronald R. Sims, 2022-12-27 This book argues that businesses must be ethically responsible emphasizing the importance of building and sustaining an ethical culture It discusses preventive measures to avoid scandals the role of continuous learning and strategies for reinforcing ethical practices through consistent training and education *Digital Dilemmas* Øyvind Kvalnes, 2020-06-02 Social media is at the core of digital transformations in organizations Facebook Twitter LinkedIn and other social media platforms widen the scope for rapid and effective communication with stakeholders They also create a range of new and challenging ethical dilemmas This open access book categorizes the dilemmas organizations across a range of industries can face when they implement social media to communicate with stakeholders This book provides a systematic framework for analyzing these ethical dilemmas in social media using the Navigation Wheel This tool leads the decision maker through a series of considerations such as legal questions corporate identity morality reputation and ethics Finally the author considers implications for leaders and presents potential solutions to these dilemmas Based on five years of original research with 250 executive students at a European business school all of whom work with social media communications in their organizations

this book is the first major study to explore the ethical use of social media across industries and is a valuable resource for researchers and practitioners alike

A Contemporary Look at Business Ethics Ronald R. Sims, 2017-07-03 A Contemporary Look at Business Ethics examines current and future challenges in business ethics emphasizing the need for ethical leadership It analyzes real world ethical scandals while discussing topics such as ethical decision making the role of religion and spirituality and the impact of scandals on employees

Professional Ethics in Athletic Training Gretchen Schlabach, Kimberly Peer, 2024-06-01 A comprehensive textbook for athletic training students educators and practitioners Professional Ethics in Athletic Training Practicing and Leading With Integrity Second Edition provides a framework for understanding and applying ethical principles across the career span of an athletic training professional Esteemed authors Gretchen A Schlabach and Kimberly S Peer explain the necessity of practicing and leading with integrity across one's athletic training career The text explores issues related to cultural competence and professional behavior as well as ethical leadership and decision making skills that both inform and transcend the athletic training profession Each chapter is accompanied by frameworks that lead to both analysis and awareness of legal statutes ethical principles regulatory practice acts and professional practice standards that encourage responsible reasoning and conduct Contemporary journal articles can also be found in every chapter to help readers make connections between content and clinical practice The text also includes assessment tools sample models for ethical decision making writing about moral issues and sample course design and delivery for teaching ethics Included in the instructor's materials are nearly 50 cases to promote critical thinking as well as learning activities for each chapter Included with the text are online supplemental materials for faculty use in the classroom Covering all levels of ethical practice from the entry level student to the experienced athletic trainer Professional Ethics in Athletic Training synthesizes and integrates ethical theory and practical application for those who practice and lead with integrity

Fallibility at Work Øyvind Kvalnes, 2017-10-09 This book is published open access under a CC BY 4.0 license This book addresses how organizations can deal with human fallibility in order to create space for excellence at work Some mistakes in work settings put lives at risk while others create openings for innovative breakthroughs In order to deal constructively with fallibility an organization needs a communication climate where it is normal to voice opinions admit mistakes and ask for help in critical situations The book builds on interviews with practitioners in healthcare aviation IT public governance and industry It connects narratives from these fields with theories from organizational psychology and philosophy as well as from positive organizational scholarship In the final chapter an overall ethics of fallibility at work is outlined Fallibility at Work contributes to research in multiple academic disciplines but also reaches out to practitioners who are interested in the connections between error and excellence in organizations

Ethical Dilemmas in the Creative, Cultural and Service Industries Johan Bouwer, 2019-05-22 Ethical Dilemmas in the Creative Cultural and Service Industries enhances professional ethical awareness and supports students development of skills for ethical decision making in these

growing sectors It focusses on the shaping of personal and professional values and dealing with the moral and ethical issues that future professionals may encounter in practice Including a multitude of varied and interdisciplinary case studies this textbook adopts an applied ethical approach which enables the student to combine basic ethical theory with relevant and real life cases Major ethical issues such as CSR ethical leadership human rights fraud employee rights and duties new technology and social entrepreneurship are addressed This will be invaluable reading for students studying tourism hospitality leisure events marketing healthcare logistics retail and game development It will also be a suitable resource for in company training of practitioners already working in this wide range of domains

Cambridge Handbook of Organizational Project Management Shankar Sankaran, Ralf Müller, Nathalie Drouin, 2017-05-23 In recent years organizational project management OPM has emerged as a field focused on how project program and portfolio management practices strategically help firms realize organizational goals There is a compelling need to address the totality of project related work at the organizational level providing a view of organizations as a network of projects to be coordinated among themselves integrated by the more permanent organization and to move away from a focus on individual projects This comprehensive volume provides views from a wide range of international scholars researching OPM at a cross disciplinary level It covers concepts theories and practices from disciplines allied to management such as strategic management organization sciences and behavioural science It will be a valuable read for scholars and practitioners alike who are looking to enrich their understanding of OPM and further investigate this new phenomenon

Meaningful Work Mike W. Martin, 2000 As usually understood professional ethics consists of shared duties and episodic dilemmas This book rethinks professional ethics to include personal commitments and ideals including many not mandatory for all members of a profession

Ethics in Human Communication Richard L. Johannesen, 2002 **The Relationship Between Work Environment and Ethical Nursing Practice** Kristin Teitelbaum, 1991 **Book Review Digest**, 1997 *Handbook of Administrative Ethics* Terry L.

Cooper, 1994 Delineating implications for administrative ethics from other fields such as sociology psychology and philosophy this state of the art reference text provides a comprehensive review of administrative ethics in the public sector tracing the treatment of ethics in public administration literature from the late nineteenth century to the present Detailing the context within which contemporary ethics training has developed the Handbook of Administrative Ethics recommends useful research techniques for generating various categories of knowledge concerning administrative ethics examines the effectiveness of ethics training and legal and organizational devices for encouraging desired conduct creates a taxonomy for administrative ethics using the categories of modern philosophy discusses the origins of the term public interest analyzes deontological and teleological approaches to administrative ethics oriented toward duty to principle focuses on the ethical dimensions of organizational culture and the conflicts between culture and ethical conduct investigates topics of particular relevance to the political and social contexts of public administration in the United States and more Written by over 25

leading scholars in public administration ethics the Handbook of Administrative Ethics is a valuable reference for public administrators political scientists and scholars in other fields concerned with professional ethics such as biomedical and legal ethics and an essential text for upper level undergraduate and graduate students taking courses in departments of public administration political science government and social work Ethical Leadership in the Community College David M. Hellmich, 2007-05-18 The avalanche of day to day responsibilities facing those in community colleges threatens to bury ethical intent This book addresses the importance of ethical leadership and explores real world applications so that community college leaders can develop the institutional savvy to be extraordinary ethical leaders Written for community college faculty staff presidents and trustees who are committed to being ethical leaders this book is divided into two sections The first provides brief theoretical foundations for ethical leadership and relates those foundations to daily practice the second explores in depth daily practice for ethical leaders Contents include Virtue theory and leadership theory Plato's Republic and the ethical leader Considerations of power influence and cultural norms The role of the president Why presidents and trustees should care about ethics Professional ethical identity development Ethical leadership A faculty obligation The interface of ethics and courage in the life of a chief academic officer Threats to ethical leadership Leading from the head and the heart Transformational leadership and ethical dilemmas Presidential support for civic engagement and leadership education A guide to ethical decision making by presidents and boards The consequences of compromised ethical identity development *Speaking from the Heart* Rita C. Manning, 1992-05-20 Manning successfully argues that theory and ethics should once again be reunited thorough and provocative THE MIDWEST BOOK REVIEW Business Periodicals Index, 2008 The Science of Subjective Well-Being Michael Eid, Randy J. Larsen, 2008 This authoritative volume reviews the breadth of current scientific knowledge on subjective well being SWB its definition causes and consequences measurement and practical applications that may help people become happier Leading experts explore the connections between SWB and a range of intrapersonal and interpersonal phenomena including personality health relationship satisfaction wealth cognitive processes emotion regulation religion family life school and work experiences and culture Interventions and practices that enhance SWB are examined with attention to both their benefits and limitations The concluding chapter from Ed Diener dispels common myths in the field and presents a thoughtful agenda for future research
