More Bread Or Ill Appear:

More Bread Or I'll Appear Emer Martin, 2000 Molly's husband is institutionalized and she brings up her five children alone in Ireland. When her eldest child Aisling disappears, Molly asks her younger daughter Keelin to find her. As Keelin searches for her sister, she is drawn into the dark, erotic worlds that Aisling inhabits. *More Bread Or I'll Appear*, 1999-02-23 *Ireland and Transatlantic Poetics* Brian Caraher, Robert Mahony, 2007 Transatlantic poetics is the principal theme and the constructive burden of these essays. The motive toward its articulation lies in the demand for cross-national, international and post-nationalist comprehension of cultural relations and critical practices across modern Anglophone British, Irish and North American literary developments, literary filiations and literary history. Anglophone literary study needs to articulate ever more clearly the poetics of literary practices, including the cultural politics of literary histories and literary reading. Ireland is a small island, yet its finest writers have insistently articulated its modern culture within a transatlantic neighborhood stretching from continental Europe across the British and Irish archipelago to the western reaches of North America. Modern Dublin is a cultural location for constructing transatlantic literary relations and poetics. This collection foregrounds modern Dublin, its writers, its universities, its literary journals, its teachers and critics of English Studies as well as the contested critical construction of regional and international poetics and cultural politics that emerges from the often tense interaction of local and global literary practices and critical desires. **Crowded Out O' Crofield, Or, The Boy who Made His Way** William O. Angela's Ashes is Frank McCourt's masterful memoir of his childhood in Ireland, now with a new introduction by Patrick Radden Keefe. When I look back on my childhood, I wonder how I managed to survive at all. It was, of course, a miserable childhood; the happy childhood is hardly worth your while. Worse than the ordinary miserable childhood is the miserable Irish childhood, and worse yet is the miserable Irish Catholic childhood. So begins the luminous memoir of Frank McCourt, born in Depression-era Brooklyn to recent Irish immigrants and raised in the slums of Limerick, Ireland. Frank's mother, Angela, has no money to feed the children since Frank's father, Malachy, rarely works and when he does he drinks his wages. Yet Malachy, exasperating, irresponsible and beguiling, does nurture in Frank an appetite for the one thing he can provide: a story. Frank lives for his father's tales of Cuchulain, who

saved Ireland and of the Angel on the Seventh Step who brings his mother babies Perhaps it is story that accounts for Frank's survival Wearing rags for diapers begging a pig's head for Christmas dinner and gathering coal from the roadside to light a fire Frank endures poverty near starvation and the casual cruelty of relatives and neighbors yet lives to tell his tale with eloquence exuberance and remarkable forgiveness Angela's Ashes imbued on every page with Frank McCourt's astounding humor and compassion is a glorious book that bears all the marks of a classic Reports to the General Assembly of Illinois at Its ...
