booksellers, Cincinnati. (1875. Robert
Clarke & co.)**

Mosby His Men Adventures Including:

Partisan Life with Col. John S. Mosby John Scott,1867 This book tells the history of Mosby's Rangers from first hand accounts of soldiers and the inhabitants in which they encountered **Catalogue of All Books in the Circulating and Reference Departments of the Public School Library, Columbus** ... Columbus (Ohio). Public School Library,1897

Bibliotheca Americana. Catalogue of a Valuable Collection of Books and Pamphlets Relating to America ... With a Descriptive List of the Ohio Valley Historical Series. For Sale by Robert Clarke & Co Clarke, Robert and Co,1875

The Edge of Mosby's Sword Gordon Blackwell Bonan,2009-10-09 The Edge of Mosby's Sword is the first scholarly volume to delve into the story of one of John Singleton Mosby's most trusted and respected officers Colonel William Henry Chapman Presenting both military and personal perspectives of Chapman's life Gordon B Bonan offers an in depth understanding of a man transformed by the shattering of his nation This painstakingly researched account exposes a soldier and patriot whose convictions compelled him to battle fiercely for Southern independence whose quest for greatness soured when faced with the brutal realities of warfare and who sought to heal his wounded nation when the guns of war were silenced Born into a wealthy slave owning family Chapman was a student of the fiery secessionist rhetoric of antebellum Virginia who eagerly sought glory and adventure on the battlefields of the Civil War Bonan traces Chapman's evolution from an impassioned student at the University of Virginia to an experienced warrior and leader providing new insight into the officer's numerous military accomplishments Explored here are Chapman's previously overlooked endeavors as a student warrior leader of the Dixie Artillery and as second in command to Mosby including his participation in the capture of Harpers Ferry the battering of Union forces at Second Manassas and his ferocious raids during the 1864 Shenandoah Valley campaign Bonan reveals fresh perspectives on the intrepid maneuvers of Mosby's Rangers the hardships of war and Chapman's crucial role as the right hand of the Gray Ghost But while Mosby recognized him for his bravery and daring the fame Chapman sought always eluded him Instead with his honors and successes came disillusionment and sorrow as he watched comrades and civilians alike succumb to the terrible toll of the war The end of the struggle between North and South saw Chapman accept defeat with dignity leading the Rangers to their official surrender and parole at Winchester With the horrors of the war behind him he quickly moved to embrace the rebuilding of his country joining the Republican party and beginning a forty two year career at the IRS enforcing Federal law throughout the South In the end Chapman's life is a study in contradictions nationalism and reconciliation slavery and liberty vengeance and chivalry
