**"Let Us Go Free"** C. Walker Gollar,2023-12 The Society of Jesus the Jesuits are

renowned for the quality of their universities and colleges Less well known is the relationship between Jesuit higher education and slavery For more than two hundred years Jesuit colleges and seminaries supported themselves on the labor of the enslaved in Maryland Georgetown Missouri St Louis University Kentucky St Joseph College Louisiana Grand Coteau seminary and Alabama Spring Hill College Even the founding of Xavier University in the free state of Ohio depended upon income from the labor of the enslaved in Kentucky Walker Gollar shows that in spite of their Catholic faith Jesuits were in most respects very typical slaveholders They sometimes worried about the spiritual and physical wellbeing of the enslaved but they mostly were concerned with the finances of their plantations and farms This book deeply based on research in the Jesuit archives provides a vivid and disquieting narrative of Jesuit slaveholding for the general reader and the student To the extent possible it portrays the experiences of the enslaved including the destruction of family ties and punishment but also resistance and emancipation Gollar also traces the legacies of the Jesuits participation in the slave economy including the perspectives of the descendants of those enslaved by the Jesuits and the Jesuits attempts to come to terms with the actions and beliefs of their predecessors
